ALEUTIAN PRIBILOF ISLANDS ASSOCIATION, INC.
Job Announcement
Mid-Level Provider

Provide health care services to whole generations of families. Recruiting for Mid-Level Provider based in beautiful and interesting Unalaska, Alaska.

Duties include: **primary care, walk-in urgent care**, and **emergency services; treatment and management of Diabetes a plus**. Must have the ability to make independent clinical decisions and work in a team setting in collaboration with referral physicians and onsite Community Health Aide/Practitioners. Sub-regional travel to other APIA clinics based on need or request. Minimum experience: 2-3 years in a remote clinical setting to include emergency care services and supervisory experience. Indian Health Service experience a plus. Will be credentialed through Alaska Native Tribal health Consortium. Position available immediately. Work 37.5 hours per week.

QUALIFICATIONS/REQUIRED KNOWLEDGE AND SKILLS:

1. Graduate of an accredited ANP or FNP, or PA-C practitioner program. Requires a registration/license to practice in the State of Alaska. Credentialing process to practice required. Knowledge of related accreditation and certification requirements.
2. Three to five years experience (two years of supervision preferred) or an equivalent combination of education and/or experience.
3. Ability to perform medical examinations using standard medical procedures.
4. Knowledge of patient care charging to include "superbill" coding, patient histories, clinical operations and procedures, primary care principles and practices. Ability to observe, assess, and record symptoms, reactions, and patient progress.
5. Ability to react calmly and effectively in emergency situations.
6. Up-to-date CPR and ACLS certifications.
7. Knowledge of drugs and their indications, contraindications, dosing, side effects, at proper administrations.
8. Knowledge of emerging trends in technologies, techniques, issues, and approaches in area of expertise.
9. Ability to clearly communicate medical information to professional practitioners and the general public. Ability to educate patients and/or families as to the nature of disease and to provide instruction on proper care and treatment.
10. Ability to maintain quality, safety, and/or infection control standards.
11. Ability to self-manage assigned patient caseload, including organizing, prioritizing, and scheduling appointments, services, and work assignments.
12. Ability to make administrative and procedural decisions.

13. Computer literate.
14. Must have the ability to give oral and written reports.
15. Willingness and means to travel on rotation throughout the Aleutian Pribilof Islands' Region. Must have a valid Alaska Driver's License.
16. Willing to take training and attend workshops and meetings periodically to enhance job performance and knowledge.

Salary: DOE + benefits. Contractual commitment. Job description available upon request. Open until filled.
