

California Area Indian Health Service

Talking Points

Based on 2017 data -- Numbers are approximate

- ❑ **The Indian Health Care System:**
 - **IHS-operated residential treatment services**

There is one IHS-operated youth residential treatment center located in Hemet, California. A second IHS-operated youth residential treatment center is slated to open in Davis, California in 2019.
 - **Tribally-operated health care services**

Tribal facilities are operated under the authority of the Indian Self-Determination and Education Assistance Act (Public Law 93-638, as amended), Titles I and V. There are 14 Title V compacts, funded through 14 Funding Agreements, totaling \$120 million. These compacts represent 56 Tribes, which is 54% of all the federally recognized Tribes in California. There are also 26 programs contracted under Title I serving 60 Tribes. Of the 34 Tribally-operated ambulatory healthcare programs, one is accredited through the Joint Commission and 14 are accredited through the Accreditation Association for Ambulatory Health Care.
 - **Urban health care services and resource centers**

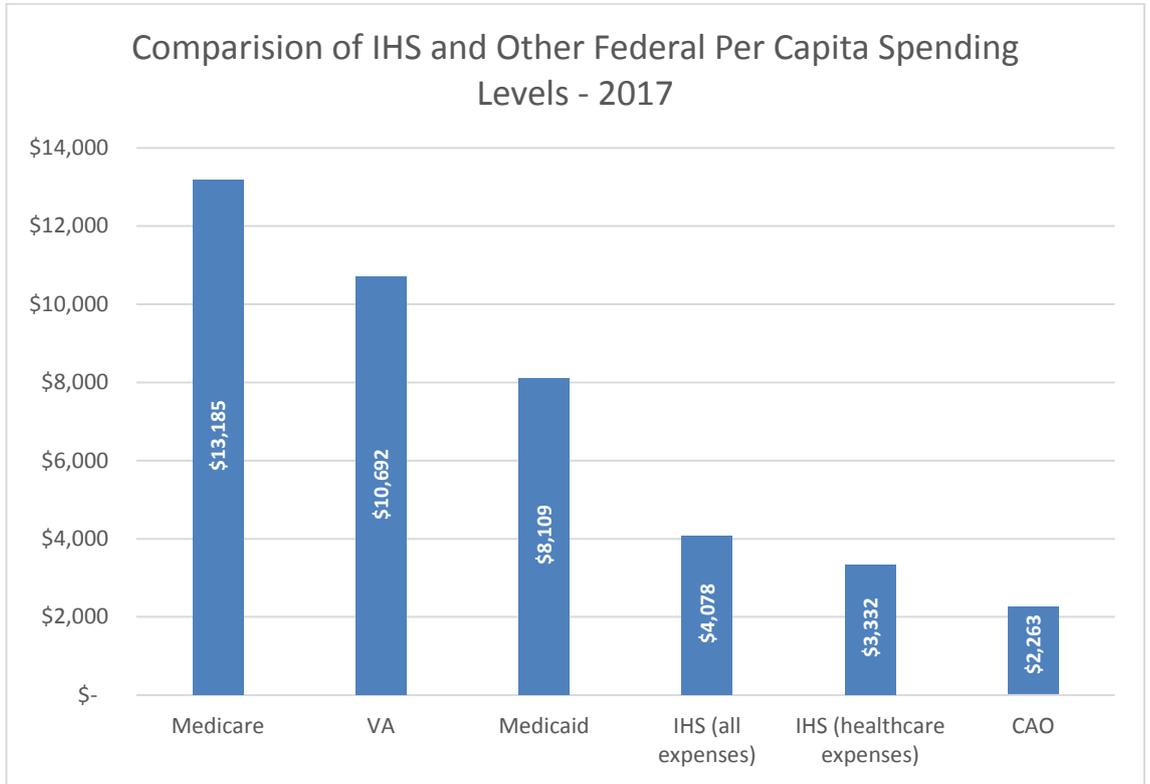

There are 10 Urban programs, ranging from community health to comprehensive primary health care services. Three are accredited through the Accreditation Association for Ambulatory Health Care and two are accredited through the National Committee for Quality Assurance.
 - **Alcohol Treatment Services**

There are 4 alcohol treatment programs. Their services range from referral and counseling to residential services. Two of them are accredited through the Commission on Accreditation of Rehabilitation Facilities.
 - **Accredited Programs**

Of the 49 Tribal and Urban Indian healthcare programs in California, 21 are accredited.
- ❑ **Population Served:**
 - Members of 104 federally recognized Tribes
 - 88,887 American Indians and Alaska Natives residing on or near reservations
 - 167,066 potential AI/AN users in CHSDA and 195,735 potential users not in a CHSDA (2010 census)
- ❑ **Annual Patient Services (Tribal facilities):**
 - Inpatient Admissions: N/A
 - Outpatient visits: 669,886
 - Dental visits: 267,583
- ❑ **Appropriations:**
 - FY 2016 Area Office budget appropriation: \$211,136,156
 - FY 2017 Area Office budget appropriation: \$224,810,347
- ❑ **Third-party collections:** N/A for P.L. 93-638

❑ **Per capita personal health care expenditures comparisons:**

- CAO user population: \$2,263 (*excludes OEHE \$*)
- IHS user population: \$3,332
- Total U.S. population: \$9,207 (*National Health Expenditures Projections*)
