Date: Wednesday, May 16th, 2007

Time: Noon—1 pm (Pacific Time)

Location: Web Ex

### AGENDA

- 12:00—12:05 Introduction: Dr. Dave Sprenger (Chief Medical Officer, California Area Office)
- 12:05—12:25 Keynote Speaker: Denise Grenier, MSW, LCSW (Project Officer, IHS-ACF DV Pilot Project)
- 12:25—12:45 OIT/CRS Perspective: Stephanie Klepacki (CRS Analyst and Project Coordinator)
- 12:45—1:00 Q & A/Closing remarks: Dr. Dave Sprenger (Chief Medical Officer, California Area Office)

### COMMENTS ABOUT PRIOR WEB EX SESSIONS

Grace Song (Director of Clinical Services at Riverside/San Bernardino County Indian Health): *“The Web Ex session was excellent. It is a useful tool for nursing and medical providers.”*

Susana Christian (RPMS Site Manager at Tuolumne Me-Wuk Indian Health Center): *“I like not having to travel for these trainings, the Q & A helps to get a broader picture of other sites which is a useful tool for networking information, and attendance isn’t limited.”*

#### **Hosted by the California Area Office**
