ACCOMMODATIONS

The accommodations are at the Doubletree Hotel in Sacramento: a full service hotel centrally located in the Arden-Point West Business District. Located 20 minutes from Sacramento International Airport (SMF), the Doubletree Hotel Sacramento offers great shopping and dining options with Arden Mall directly across the street. A block of rooms is being held at the government rate under the CRIHB. You must register for the conference by May 23rd to have your room covered under the conference Master Bill.

Doubletree Hotel:
2001 Point West Way ☞ Sacramento, CA 95815 ☞ Tel: 1-916-929-8855

Registration - Please fax or mail your registration form and room request to CRIHB by May 23, 2008 if you are requesting a lodging scholarship. All other reservations can be made by contacting the hotel directly. The federal room rate is \$111/night.

If you need to cancel a room reservation please notify CRIHB 72 hours in advance of the conference to avoid a room charge.

If you require a lodging scholarship please check the dates you will need a room:

June 23 June 24 June 25

Do not need a scholarship and will be making my own room reservations

Goal: Enhance and strengthen local efforts focused in the area of prevention. This forum is designed to provide education and networking opportunities among Tribal/Urban healthcare programs. The focus is the local community, promoting what works and sharing your success with others. Come expecting to build partnerships, gain knowledge and re-energize yourself in promoting community based health and wellness.

Audience: This health and wellness forum and training has been made open to all Public Health Nurses, Clinic Nurses, Diabetes Coordinators, Dietitians, Nutritionists, Outreach Workers, Community Health Representatives, Health Promotion Specialists, Fitness Specialists, Tobacco Cessation Program Coordinators, Substance Abuse Coordinators, Behavioral Health Specialists and others interested in integrating "Promising Practices" in health promotion, disease prevention, chronic disease and behavioral health.

Participants Can Expect to Learn:

- *The latest Information about Immunizations for both Adult and Children
- *How Motor Vehicle injuries can impact our lives and strategies we can use to help prevent injuries.
- *Drug & alcohol prevention interventions in your community
- *How to work with women in distress
- *Updates on HIV and pharmaceutical regulations.
- *Strategies to improve Motivational behavior with your clients
- *How to educate on and prevent smokeless tobacco use
