

Tanana Chiefs Conference is a tribally owned Indian Health Service multidisciplinary medical system with its hub located in Fairbanks Alaska. This is an exciting opportunity to practice full scope optometry in one of the most beautiful areas of our country. We offer full time employment with a generous salary, medical insurance, retirement, relocation and other benefits. Strong emphasis is put on children and elder eye care, diabetic eye care, and mobile eye clinic visits to our surrounding villages. You can visit www.tananachiefs.org for more information or call Dr. Jaworski.
