SELECTIVE PLACEMENT FACTOR: None

QUALIFICATION REQUIREMENTS: Candidates must have had experience as described below. Your description of work experience, level of responsibility, and accomplishments will be used to determine that you meet these requirements. NOTE: Applicants will be required to sign Optional Form 306, Declaration for Federal Employment, certifying to the accuracy and truthfulness of the information provided in their application.

EXPERIENCE AND EDUCATION REQUIREMENTS:

GS-05: 52 weeks of specialized work experience equivalent to the GS-4 grade level **–OR–** successful completion of a 4-year course of study leading to a bachelor's degree with major study or at least 24 semester hours in subjects appropriate to the position to be filled.

GS-06: 52 weeks of specialized work experience equivalent to the GS-5 grade level **–OR–** one-half year of graduate education which included courses directly related to the work of the position.

GS-07: 52 weeks of specialized work experience equivalent to the GS-6 grade level **–OR–** one full year of graduate education which included courses directly related to the work of the position.

If education is used to meet specialized experience requirements, then such education must include courses directly related to the work of the position. **Transcripts must be submitted to verify education.**

Specialized Experience (for positions at GS-4 and above): (a) Technical medical laboratory support work such as performing laboratory tests and examinations (chemical, microbiologic, hematologic and blood banking) and preparing reports of findings or (b) technical support work in a closely related field, e.g., biological laboratory technician work, that required application of the methods and techniques for the position to be filled.

COMBINING EDUCATION AND EXPERIENCE: Combinations of education and experience may be used to meet total qualification requirements for the grade levels specified. **Transcripts must be submitted to verify education.**

KNOWLEDGE, SKILLS AND ABILITIES (KSAs): Applicants who meet the basic qualification requirements described in this announcement will be further evaluated by determining the extent to which their work or related experience, education, training, awards, outside activities and performance appraisal, etc., indicate they possess the knowledge, skills and abilities described below. All applicants should describe clear, concise examples that show level of accomplishment or degree to which they possess the KSAs on a separate attachment. The information provided will be used to determine the "best qualified" candidates.

1. Knowledge of medical laboratory guidelines, standards, and procedures in order to perform a variety of tests and examinations. What in your education and/or work history demonstrates you have this knowledge?
2. Knowledge of medical laboratory equipment calibration and standardization. What in your education and/or work history demonstrates you have this knowledge?
3. Ability to communicate effectively orally. What in your education and/or work history demonstrates you have this ability?

LEGAL AND REGULATORY REQUIREMENTS: Candidates must meet time after competitive appointment, time-in-grade and qualification requirements by the closing date of the announcement. If selected under the Excepted Service Examining Plan (ESEP) or the Delegated Examining Unit (DEU) procedures, time-in-grade requirements do not apply.

QUALITY OF EXPERIENCE: Experience must have been at a level of difficulty comparable to the next lower grade in the Federal service. It is an applicant's responsibility to provide documentation or proof that he or she has met the qualification requirements of the position. Reference inquiries, including contacts with candidate's instructors, supervisors or employers may be made to obtain further information about the candidate's professional qualifications for the position.

Job Title in Announcement: Medical Technician, GS-0645-5/6/7

Announcement Number: SWR-08-0310

Section 231 of the Crime Control Act 1990, Public Law 101-647, requires that employment applications for Federal child care positions contain a question asking whether the individual has ever been arrested for or charged with a crime involving a child and for the disposition of the arrest or charge.

Section 408 of the Miscellaneous Indian Legislation, Public Law 101-630, contains a related requirement for positions in the Department of Health and Human Services that involve regular contact with or control over Indian children. The agency must ensure that persons hired for these positions have not been found guilty of or pleaded nolo contendere or guilty to certain crimes.

To assure compliance with the above laws, the following questions are added to the Declaration for Federal Employment:

- 1) Have you ever been arrested for or charged with a crime involving a child? YES _____ NO _____

[If "YES", provide the date, explanation of the violation, disposition of the arrest or charge, place of occurrence, and the name and address of the police department or court involved.]

- 2) Have you ever been found guilty of, or entered a plea of nolo contendere (no contest) or guilty to, any felonious or misdemeanor offense under Federal, State, or tribal law involving crimes of violence; sexual assault, molestation, exploitation, contact or prostitution; or crimes against persons; or offenses committed against children? YES _____ NO _____

[If "YES", provide the date, explanation of the violation, disposition of the arrest or charge, place of occurrence, and the name address of the police department or court involved.]

I certify that (1) my response to these questions is made under penalty of perjury, which is punishable by fines of up to \$2,000 or 5 years imprisonment, or both; and (2) I have received notice that a criminal check will be conducted. I understand my right to obtain a copy of any criminal history report made available to the Indian Health Service and my right to challenge the accuracy and completeness of any information contained in the report.
