- Applications will be accepted from individuals eligible for non-competitive appointment (e.g., applicants eligible for appointment under the Veterans Readjustment Act, the severely handicapped, those with a 30% or more compensable service-connected disability). Veterans who are preference eligible or who have been separated from the armed forces under honorable conditions after 3 years or more of continuous active service may apply.

Indian Preference applicants must indicate on their applications whether they are applying under the MPP, ESEP, or both. If not indicated, they will be considered under the MPP.

Qualified disabled applicants (Rehabilitation Act of 1973) and disabled veterans with 30% or more disability are encouraged to apply. Reasonable accommodations will be made for qualified applicants with disabilities, except when doing so would impose undue hardship on the Indian Health Service.

CONDITIONS OF EMPLOYMENT:

1. Selectee(s) are required to be immunized against Measles and Rubella and provide documentation prior to or at the time of their start date. Special consideration may be allowed to individuals who are allergic to a component of the vaccine or are currently pregnant. Selectee must have documented immunity to Rubella and Measles.
 2. Selectee(s) are required to complete Security questionnaire and fingerprint chart for investigative purposes under PL 101-630
-

Indian Child Protection and Family Violence Prevention Act. Persons, who have been arrested for or charged with a crime involving a child, or violent crime against a person, are not eligible for employment with IHS under PL 101-630.

3. Selectee(s) are required to complete a "Declaration of Federal Employment – Optional Form 306" to determine your suitability for Federal Employment, and to certify the accuracy of all the information in your application. Persons making false statements in any part of the application may not be hired; or fired after employment starts; or may be fined.
4. Males born after December 31, 1959 are required to be registered with the Selective Service System in order to be eligible for employment with the Federal Government.
5. Selectee(s) are required to have a viable bank account at a financial institution for electronic direct deposit of salary payment.

7. The incumbent may be required to travel and must possess a valid driver's license.
8. Selectee may require access to the Unified Financial Management System (UFMS) and will require Level V or Level VI Background/Security clearance.

QUALIFICATION REQUIREMENTS: Applicants must be able to perform the tasks of the position. Rating will be based on the following elements:

GS-11: 1-year specialized experience equivalent to at least the next lower grade OR; Ph.D. or equivalent doctoral degree

BASIC REQUIREMENT:

- A. Degree: medical technology, chemistry, or biology that included or was supplemented by at least:
 - o 16 semester hours of biological science of which one course was in microbiology and one course was in immunology. (NOTE: If there is no mention of immunology or immunobiology in the course title, the requirement for a course in immunology may be met by any course that covers the following topic areas: (1) definition and relationships of antigens and antibodies; (2) host-antigen interactions; (3) bursal and thymic influences on lymphoid cells; and (4) humoral and cellular response mechanisms.) The remaining biology courses must have been in general biology, zoology, or any of the areas listed below under "Evaluation of Education and Experience;"
 - o 16 semester hours of chemistry of which one course was in organic or biochemistry. The remaining chemistry courses must have been in general chemistry, qualitative analysis, qualitative chemistry, quantitative chemistry, physical chemistry, analytical chemistry, or any of the areas listed below under "Evaluation of Education and Experience;" and
 - o 3 semester hours of college mathematics.

OR

- B. A full 4-year course of study that included or was supplemented by at least 12 months in a college or hospital-based medical technology program or medical technology school approved by a recognized accrediting organization. The professional medical technology curriculum may have consisted of a 1-year post-baccalaureate certificate program or the last 1 or 2 years of a 4-year program of study culminating in a bachelor's in medical technology.

OR

- C. A combination of (1) at least 35 semester hours of biological science, chemistry, and mathematics as described in paragraph A above and (2) additional appropriate education and/or experience totaling 4 years. This combination of education and experience must have provided knowledge of the theories, principles, and practices of medical technology equivalent to that provided by the full 4-year course of study described in A or B above. All science and mathematics courses must have been acceptable for credit toward meeting the requirements for a science major at an accredited college or university. Acceptable experience is responsible professional or technician experience in a hospital laboratory, health agency, industrial medical laboratory, or pharmaceutical house; or teaching, test development, or medical research program experience that provided an understanding of the methods and techniques applied in performing professional clinical laboratory work. Certification/licensure as a medical technologist (generalist) obtained through written examination by a nationally recognized credentialing agency or State-licensing body is a good indication that the quality of experience is acceptable.

Candidates for positions involving highly technical research, development, or similarly complex scientific functions must have completed the full 4-year course of study described in A or B above.

EVALUATION OF EDUCATION AND EXPERIENCE: The four major areas of clinical laboratory science are microbiology, clinical chemistry, hematology, and immunohematology (blood banking). Qualifying course work in these areas includes bacteriology, mycology, mycobacteriology, tissue culture, virology, parasitology, endocrinology, enzymology, toxicology, urinalysis, coagulation, hemostasis, cell morphology, immunology, serology, immunoserology, immuno-deficiency, hemolysis, histocompatibility, cytogenetics, and similar disciplines or areas of laboratory practice.

Related fields include physiology, anatomy, molecular biology, cell biology, embryology, pathology, genetics, pharmacology, histology, cytology, nuclear medicine, epidemiology, biostatistics, infection control, physics, statistics, and similar areas of science where the work is directly related to the position to be filled.

Specialized Experience: Experience that equipped the applicant with the particular knowledge, skills, and abilities to perform successfully the duties of the position, and that is typically in or related to the work of the position to be filled. To be creditable, specialized experience must have been equivalent to at least the next lower grade level in the normal line of progression for the occupation in the organization.

Examples of Specialized Experience: Working experience in application of analytical methods and procedures in the performance of a variety of test/examinations of human tissue, fluids and other substance in the clinical laboratory. Responsible for designing, monitoring, maintaining, and implementing both a comprehensive Ancillary Testing program and a Quality Assurance program that covers laboratory service issues and performing specialized studies solving highly complex diagnostic problems, modifying or adapting new methods or techniques for laboratory services

Selective Placement Factor: None

Your description of work experience, level of responsibility, and accomplishments will be used to determine that you meet these requirements.

SUPERVISORY or MANAGERIAL ABILITIES: Candidates must have demonstrated in their work experience or training that they possess, or have the potential to develop, the qualities of successful supervision, as listed under the appropriate categories below:

For first level supervisory position, ability to:

- Assign to and review work of subordinates, train and work effectively with subordinates from a variety of backgrounds and with different levels/areas of training.
- Accomplish the quality and quantity of work expected within set limits of cost and time.
- Plan own work and carry out assignments effectively.
- Communicate with others effectively both orally and in writing in working out solutions to problems or questions relating to the work.
- Understand and further management goals as these affect day-to-day work operations.
- Develop improvements in or design new work methods and procedures.

TIME IN GRADE: Candidates must have completed at least one year of service in a position no more than one grade lower than the position to be filled. (If selected under the Excepted Service Examining Plan, such individuals may be appointed under Schedule A authority without regard to Time-In-Grade requirements.)

LEGAL AND REGULATORY REQUIREMENTS: Candidates must meet time-after competitive appointment, time-in-grade, and qualification requirements by the closing date of the job announcement.

METHODS OF EVALUATION: Evaluation is made on the basis of appropriate education, experience, performance appraisals, training, self-development, outside activities and special awards. Experience related to tribal involvement and to Indian community projects will also be evaluated. Applicants will also be evaluated on the following ranking factors, i.e., Knowledge, Skills, and Abilities (KSA's).

SUPPLEMENTAL QUESTIONNAIRE on KNOWLEDGE, SKILLS, AND ABILITIES (KSA): On a separate sheet of paper, discuss how you performed (or have potential to develop) the particular knowledge, skill, or abilities listed below. (Failure to submit written responses as part of your application may result in an ineligible rating.)

1. **Knowledge of management, planning, and implementation of new laboratory methods and procedures for designated specialization of the clinical laboratory.**
2. **Ability to perform full variety and types of tests and examinations, including, but not limited to, bacteriology, chemistry, hematology, urinalysis, microbiology, blood bank, serology and other medical tests.**
3. **Ability to insure compliance with procedures and requirements governing accumulation, indexing, filing, storage and discarding of records, reports and other materials.**
4. **Knowledge and skill in performing appropriate specimen collections, and laboratory testing and reporting procedures for all patient age groups.**

HOW TO APPLY/REQUIRED FORMS (Incomplete applications will not be considered):

1. Applicants may use one of the following to apply: (1) OF-612 Optional Application for Federal Employment, **or** (2) Resume (see requirements in **Attachment A**).
2. If claiming Indian Preference, BIA 4432 "Verification of Indian Preference for Employment in BIA and IHS".

ATTACHMENT B

1. You may be eligible for special selection priority consideration under the Career Transition Assistant Program (CTAP) if you are a current career or career-conditional (tenure group I or II) employee of the DHHS Agency at the GS-15 grade level or below or equivalent, and who has received a specific RIF separation notice or a Certificate of Expected Separation indication your job is surplus, or notice of removal for declining a directed reassignment or transfer of function outside the local commuting area. To qualify for special selection priority consideration under CTAP you MUST also meet the criteria shown in paragraph 3 below.
2. You may be eligible for special selection priority consideration under the Interagency Career Transition Assistance Program (ICTAP) if you are a current or former career-conditional (tenure group I or II) employee of any agency in the competitive service at the GS-15 grade level or below or equivalent, who has received a specific RIF separation notice or a notice of proposed removal for declining a directed reassignment or transfer of function outside the local commuting area. You may also be eligible if you were separated because of a compensable injury and your compensation has been terminated; or you retired with a disability and your disability annuity has been or is being terminated; or you were in receipt of a RIF separation notice and retired on the effective date of the RIF or under discontinued service; or you are a former Military Reserve Technician or National Guard Technician who is receiving a special disability retirement annuity from OPM. To qualify for special selection priority consideration under ICTAP you MUST also meet the criteria shown in paragraph 3 below.
3. To qualify for special selection priority consideration under CTAP or ICTAP for this vacancy, you MUST also meet ALL of the following:
 - (a) Have a current or last performance rating of record of at least fully successful or equivalent. A copy MUST be submitted with your application package. (Note: this requirement does not apply to candidates who are eligible due to compensable injury or disability retirement).
 - (b) Be applying for a position at or below the grade level from which you will be, or have been separated, and which does not have a greater promotion potential than the position from which you will be, or have been separated.
 - (c) Occupy or be displaced from a position in the same local commuting area of the position for which you are requesting priority consideration.
 - (d) File your application by the vacancy announcement closing date and meet all the applicable criteria. Your application MUST include ALL documents that support your claim of eligibility for priority consideration – RIF separation notice, or notice of proposed removal for declining a directed reassignment or transfer of function to another commuting area; SF-50 Notification of Personnel Action, showing that they were separated as a result of RIF, or declining a transfer of function or directed reassignment to another area; official certification from an agency stating that it cannot place an individual whose injury compensation has been or is being terminated; or official notification from the Military Department or National Guard Bureau that the employee has retired under 5 USC 8337(h) Or 8456.
 - (e) Be rated “well qualified” for this position. A numerical rating of 85 is considered to be well qualified for this position.

APPLICANT'S STATEMENT OF SELECTIVE SERVICE REGISTRATION STATUS

If you are a male born after December 31, 1959, and are at least 18 years of age, civil service employment law {5 U.S.C. 3328} requires that you must be registered with the Selective Service law, unless you meet certain exemptions under Selective Service law. If you are required to register but knowingly and willfully fail to do so, you are ineligible for employment by executive agencies of the Federal Government.

CERTIFICATION OF REGISTRATION STATUS

Check one:

- I certify I am registered with the Selective Service System.
- I certify I have been determined by the Selective Service to be exempt from the registration provisions of Selective Service law.
- I certify I have not registered with the Selective Service System.
- I certify I have not reached my 18th birthday and understand I am required by law to register at that time.

NON-REGISTRANTS UNDER AGE 26

If you are under age 26 and have not registered as required, you should register promptly at a United States Post Office or consular office if you are outside the United States.

NON-REGISTRANTS AGE 26 OR OVER

If you were born in 1960 or later, are 26 years of age or older, and were required to register but did not do so, you can no longer register under Selective Service law. According, you are not eligible for appointment to an executive agency unless you can prove to the Office of Personnel Management (OPM) that your failure to register was neither knowing nor willful. You may request an OPM decision through the agency that was considering you for employment by returning this statement with your written request for an OPM determination together with an explanation and documentation you wish to furnish to prove that your failure to register was neither knowing nor willful.

PRIVACY ACT STATEMENT

Because information on your registration status is essential for determining whether you are in compliance with 5 U.S.C. 3328, failure to provide the information requested by this statement will prevent any further consideration of your application for appointment. This information is subject to verification with the Selective Service System and may be furnished to other Federal agencies for law enforcement or other authorized use in implementing this law.

FALSE STATEMENT NOTIFICATION

A false statement may be grounds for not hiring you, or for firing you if you have already begun work. Also, you may be punished by fine or imprisonment (Section 1001 of title 18, United States Code).

(Please print)

Job Title of Announcement: Supervisory Medical Techologist **Announcement Number:** SWR-08-0471

Section 231 of the Crime Control Act of 1990, Public Law 101-647, requires that employment applications for Federal Child care positions contain a question asking whether the individual has ever been arrested for or charged with a crime involving a child and for the disposition of the arrest or charge.

Section 408 of the Miscellaneous Indian Legislation, Public Law 101-630, requires a criminal record check for positions in the Department of Health and Human Services that involve regular contact with or control over Indian Children. The agency must ensure that persons hired for these positions have not been found guilty of or pleaded nolo contendere to violent crimes.

To assure compliance with the above laws, the following questions are added to the Declaration for Federal Employment.

1) Have you ever been arrested for or charged with a crime involving a child? YES _____ NO _____

[If YES, provide date, explanation of the violation, disposition of the arrest or charge, place of occurrence, and the name and address of the police department or current court involved.]

2) Have you ever been found guilty of, or entered in a plea of nolo contendere (no contest) or guilty to, any felonious or misdemeanor offense under Federal, State, or Tribal law involving crimes of violence, sexual assault, molestation, contact or prostitution, or crimes against persons? YES _____ NO _____

[If YES, provide date, explanation of the violence, description of the arrest or charge, place of occurrence, and the name and address of the police department or court involved.]

I certify that (1) my response to these questions is made under penalty of perjury, which is punishable by fines of up to \$2,000 or 5 years imprisonment, or both; and (2) I have received notice that a criminal check will be conducted. I understand my right to obtain a copy of any criminal history report made available to the Indian Health Service and my right to challenge the accuracy and completeness of any information contained in the report.
