

## Resources Tool

Take a few minutes and work together to determine ways to identify potential partners or stakeholders and determine the resources they may be able to contribute to the diabetes program. When you have completed this section be sure to add it to your visual planning tool.

Diabetes Program Stakeholders	Their expectations	Possible resources they can contribute (time, money, equipment, space, expertise, etc)
<b>Diabetes program recipients or participants</b>	complete this box now.	complete this box now.
<b>Decision makers – funding, staffing, space, etc</b>	complete this box now.	complete this box now.
<b>Diabetes program staff</b>	complete this box now.	complete this box now.
