

The IHS Division of Diabetes  
Presents a WebEx Seminar\*

**Preventative Foot Care for People with Diabetes**  
**Thursday, November 12, 2009**  
**1:00 – 2:00 pm MST**

**Speaker:** Steve Rith-Najarian, MD,

**Target Audience:** Physicians, Nurses, Dietitians and other Healthcare Professionals

**Agenda**

- ❖ **Welcome/Continuing Education Credits**
- ❖ **Foot Care Presentation**
- ❖ **Overview of web-based training “Foot Care”**
- ❖ **Q & A**
- ❖ **Survey/Certificate**

**Description:** Recent research, innovations and improvement in foot care for people with diabetes will be discussed. Tools that help busy providers update their knowledge and skills will be described. A new web-based training on foot care will be presented.

**Objectives:** As a result of having attended this WebEx presentation, participants will be able to:

1. List risk 4 factors for diabetic foot complications
2. Be able to conduct a complete diabetic foot exam
3. List 3 interventions associated with decreased risk for foot complications
4. State 4 educational objectives for patients at high risk for foot complications
5. Describe implementation strategies

To obtain a certificate of continuing education, you must submit a completed evaluation form.

**ACCREDITATION:**

The Indian Health Service (IHS) Clinical Support Center is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

The IHS Clinical Support Center designates this educational activity for one hour of *AMA PRA Category 1 Credit™* for each hour of participation. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This Category 1 credit is accepted by the American Academy of Physician Assistants and the American College of Nurse Midwives.

The Indian Health Service Clinical Support Center is accredited as a provider of continuing education in nursing by the American Nurses Credentialing Center Commission on Accreditation.

This activity is designated 1.0 contact hours for nurses.

The Indian Health Service (IHS) Division of Oral Health is an ADA CERP Recognized Provider.

The IHS Division of Oral Health designates this continuing dental education course for 1 hour of credit for each hour of participation. Each attendee should claim only those hours of credit actually spent in the educational activity.

Disclosure Statement: As a provider accredited by ACCME, ANCC, and ACPE, the IHS Clinical Support Center must ensure balance, independence, objectivity, and scientific rigor in its educational activities. Course directors/coordinators, planning committee members, faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty will also disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. The course directors/coordinators, planning committee members, and faculty for this activity have completed the disclosure process and have indicated that they do not have any significant financial relationships or affiliations with any manufacturers or commercial products to disclose.

The Indian Health Service (IHS) Nutrition and Dietetics Training Program (NDTP) is accredited by the Commission on Dietetic Registration to sponsor continuing professional education for Registered Dietitians. This activity has been awarded 1 CPEU. The IHS NDTP number is NU006. Each attendee should only count the number of hours for each activity attended.
