Project Goals	To offer each tribal member over the age of 55 a home safety assessment. To provide interested tribal members with a home safety assessment and do home safety plan.
Accomplishments for Year1 - 2005	Contacted tribal members over age 55 and offered them our services. Done home safety assessments on participating tribal members and started implementing some of the safety plans.
Activities	Called or notified in person of project. Went to home did assessment. Went over different services such as Vial of Life, Emergency Response Network, Senior Food Program, CHR Program, State Funded Programs, General Assistance, Medicaid, QMB, SlimB, EBT, Open Hands, and any other services that were specific to clients needs. Filing out documentation for the above programs and assisting them with what ever services needed to get further assistance. Started on home safety plan, moving furniture, removing rugs, putting in bars, shower chairs, hand held shower head, raised toilet seats, handicap ramps.
Services Available (Example – training, CCS, etc)
