

Lac Vieux Desert Sleep Safe Program Watersmeet, Michigan

Hello, I'm Angela Libertoski, the Sleep Safe Coordinator for the Lac Vieux Desert Band of Lake Superior Chippewa Indians Head start. Our Head Start serves families with children ages 3-5 in the Watersmeet and surrounding area.

We are entering our second year with the Sleep Safe Program. In 2005 we visited 32 homes to check their smoke alarms. We found that six homes did not have any working smoke alarms. We have installed 35 smoke alarms in the homes of our students. During follow up visits, we found that 100% of our student's homes had at least one working smoke alarm!

Our Goal:

- ✚ To continue educating the parents and community on the Sleep Safe Program, and fire safety in general.
