

THE INDIAN HEALTH SERVICE

EHR Patch Updates

Office Hours

BHS 1.0p7

What's new, What's changed

Superior Health Information Management
Now and for the Future

IHS-Office of Information Technology
EHR Program

Office Hour Presenters

- CDR Susan Pierce-Richards, ARNP, OIT EHR Project Lead
- CDR Mary Ann Niesen, PharmD, OIT Pharmacy Consultant
- Barbara Hess, DHA, OIT EHR Project analyst

Agenda

- Introduction
- Presenters
 - Office Hour Presenters have different specialties within the EHR system who will be responding to your questions
- Questions/Answers
 - Please do not put your phone “On Hold” during the conference call
 - “Raise your hand” through the Adobe Connect features provided
 - Please state your name/site
 - Please state your question clearly
 - Please keep background noise to a minimum to better hear the questions/answers

Contents of patch

- **Delivers new Health Summary Components to support new functionality in EHR**
