

# California Wellness Plan Implementation

Best Practices and GPRA Measures  
Continuing Medical Education  
May 6, 2015 Sacramento, CA

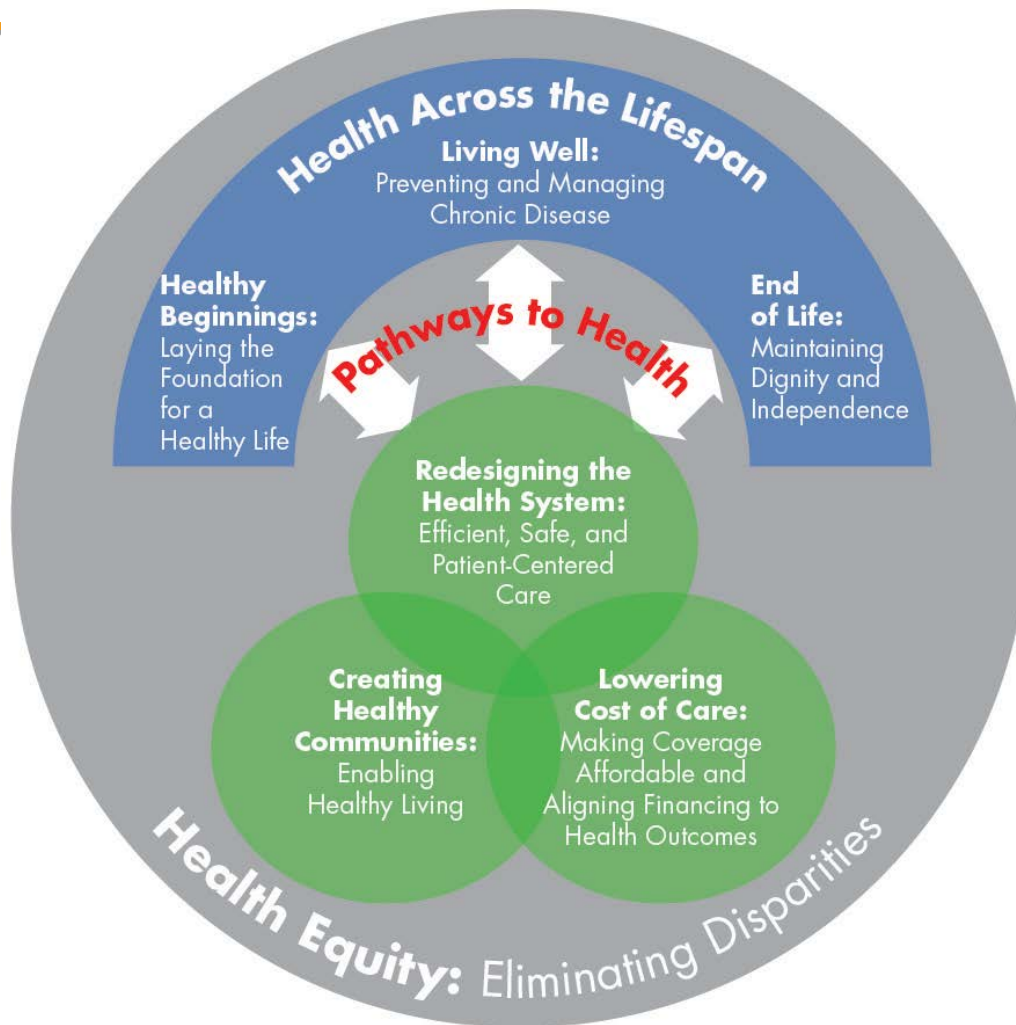

# Governor's Executive Order B-19-12

- Develop 10 year plan to improve the health of CA, control costs and improve quality of health care, promote personal responsibility for health, and advance health equity
- Let's Get Healthy California Taskforce Charge by Secretary Dooley: What will it take for CA to be the healthiest state in the nation?

# Let's Get Healthy California Task Force Framework

## The Triple Aim:

Better Health • Better Care • Lower Costs

# California Wellness Plan

- California's Chronic Disease Prevention and Health Promotion Plan
- Let's Get Healthy California Task Force Priorities & Performance Measures
- 9 year timeframe; numerous Programs
- Objectives with baseline, benchmark and target outcomes; Population health focus
- Healthy Community Indicators

# California Wellness Plan Goals

## Equity in Health and Wellness

1. Healthy Communities
2. Optimal Health Systems Linked with Community Prevention
3. Accessible and Usable Health Information
4. Prevention Sustainability and Capacity

*Plan posted online February 28, 2014*

# CDPH Commitment

## Goal 1 Healthy Communities

- Create a Compendium of Best Practices to help local health departments engage community planning and development agencies
- Assist with the Governor's Office of Planning & Research local forums to increase integration of public health and the community planning and development sector

# CDPH Commitment

## Goal 2 Optimal Health Systems Linked with Community Prevention

- Statewide Workgroup to increase integration of public health and the health care sector
- Health economist to perform return on investment (ROI) analyses of prevention activities
- Health Reform Coordinator (Dana Moore)

# CDPH Commitment

## Goal 3 Accessible and Usable Health Information

- Create an online toolkit to guide local access to online population health data
- CDPH Health Information Exchange (HIE) Gateway <http://hie.cdph.ca.gov/>
- CDPH Open Data Portal [health.data.ca.gov](http://health.data.ca.gov)

# CDPH Commitment

## Goal 4 Prevention Sustainability & Capacity

Participate in California State Innovation  
Model Grant Implementation

# Coordination with Partners

- Over \$35 million in federal Prevention and Public Health Fund (Patient Protection and Affordable Care Act) Awards for chronic disease (heart disease, stroke and diabetes) prevention to 28 California public health, community and tribal organizations

<http://www.cdc.gov/chronicdisease/about/2014-foa-awards.htm>

- Community of Practice (TCE/PHI/PI/CCLHO/CL)

3/27/2015 1<sup>st</sup> Mtg

# Community of Practice

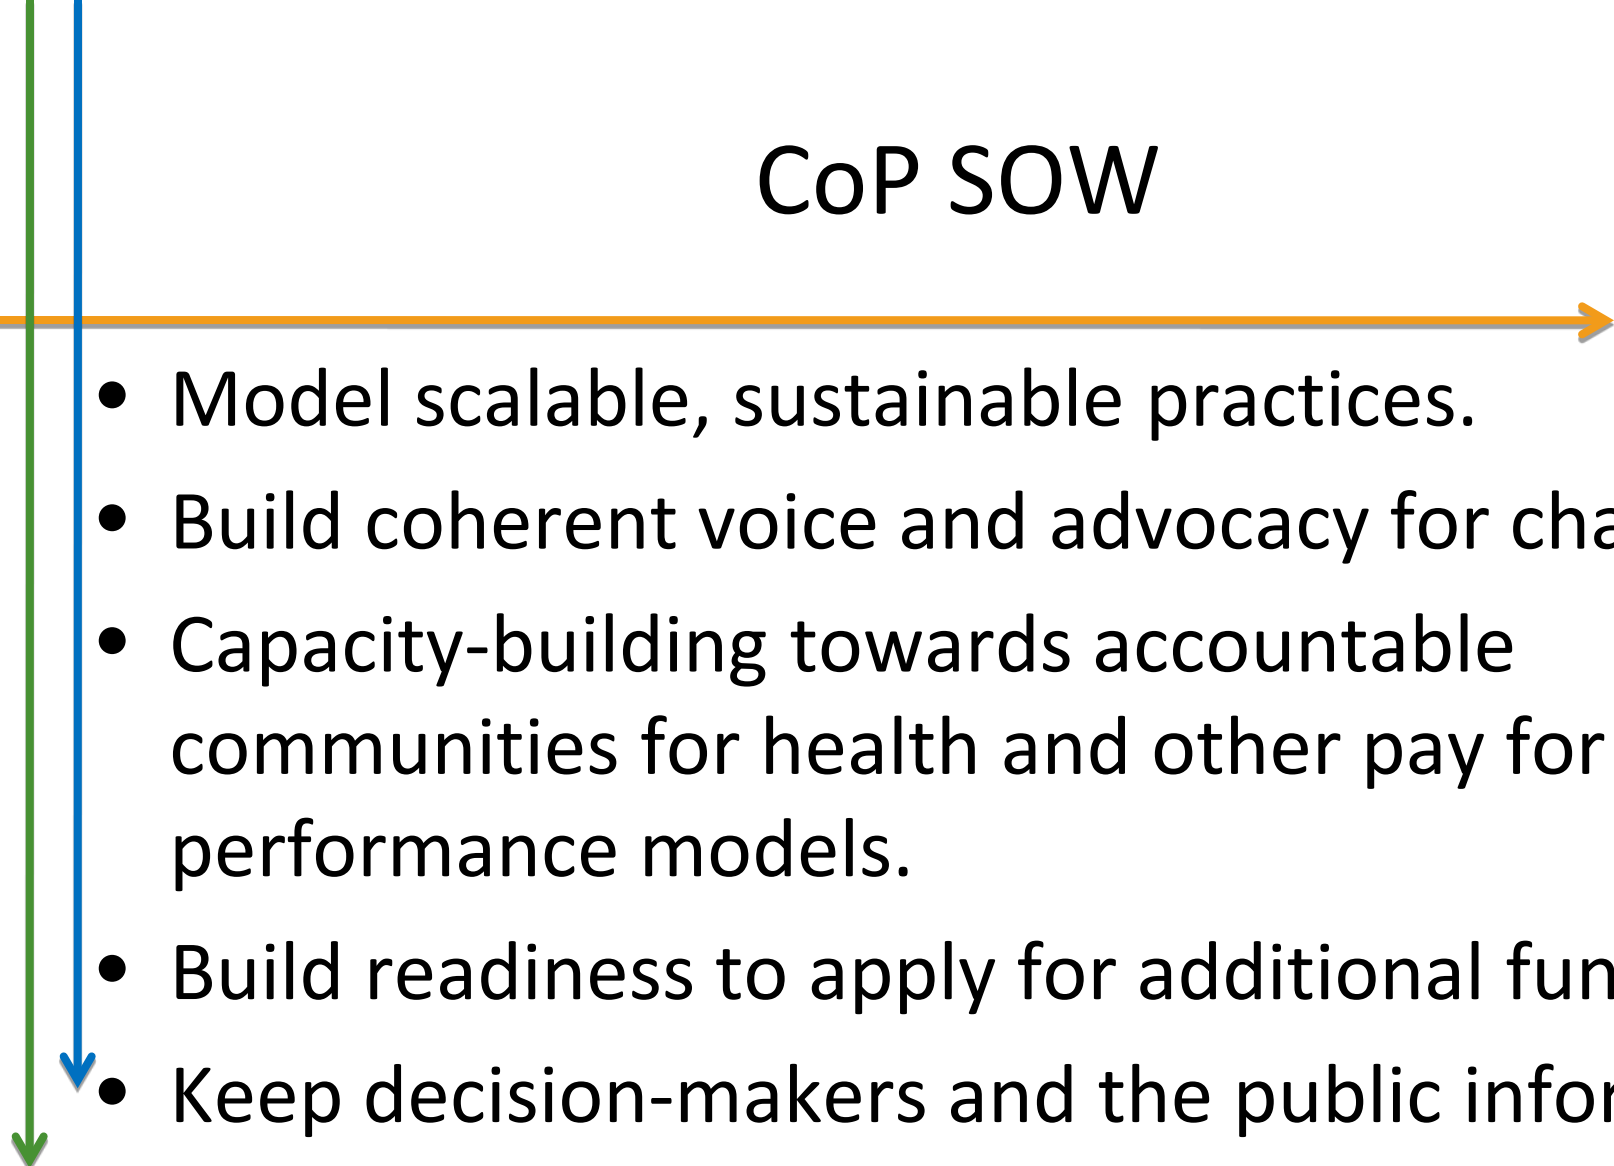

“...an innovative and resourceful systems approach, beginning with a community of practice for preventing chronic diseases and addressing health inequities.”

Dr. Tony Iton, The California Endowment 3/27/2015

# Principles of Collaboration

- Collaboration across sectors and between community and government
- Equity as an underlying element of all prevention & health promotion strategies
- Strategies that build on relevant prior experience in CA
- Sharing lessons & tools widely in real time

# CoP SOW

- 
- A decorative graphic on the left side of the slide consists of three vertical lines: a green line on the far left, a blue line in the middle, and an orange line on the right. The orange line is a thick horizontal arrow pointing to the right. The green and blue lines have downward-pointing arrows at their ends.
- Model scalable, sustainable practices.
  - Build coherent voice and advocacy for change.
  - Capacity-building towards accountable communities for health and other pay for performance models.
  - Build readiness to apply for additional funding.
  - Keep decision-makers and the public informed about need, value, and impact.

Dr. Tony Iton, The California Endowment 3/27/2015

# CDPH Commitment to Native People in CA

- Communicate all CWP Implementation news via email to Indian Health Service California Area Office of Public Health
- IHSCAOPH Chief Medical Officer serves on CWP G2 Comprehensive Medication Management Statewide Implementation work group
- CDPH and IHSCAOPH commitment to collaboration, including CoP

# Estimated health care costs in CA<sup>1</sup>

Chronic Condition	Estimated health care costs in 2010 in CA <sup>2</sup>	Percentage of total health care expenditures <sup>3</sup>
Arthritis	\$14 Billion	6.2%
Asthma	\$9 Billion	4.1%
Cardiovascular disease	\$38 Billion	16.1%
Diabetes	\$13 Billion	5.6%
Cancer	\$14 Billion	6.0%
Depression	\$10 Billion	4.4%
<b>TOTAL:</b>	<b>\$98 Billion</b>	<b>42.4%</b>
