Support**

**Clinical
Information
Systems**

- Patient Handouts
- Animations to share with pts to demonstrate how to collect FOBT

Proactive asset based partnering over time

Coordinated

**Evidence-
based and Safe**

**Prepared,
Proactive
Practice Team**

Improved achievement of patient and community goals

Care Model – CRC Change Ideas

- Increased use of iFOBT
- Clerks prepare FOBT samples using reminders in CIS
- Nurse Assistants educate patients on use of cards
- Mailing of cards to people at home when due
- Pts mail cards to lab after collected
