

Identifying Plans for Dual Eligible Beneficiaries

As an example, a list of PDP plans offered in Alaska is attached. For Alaska, there are eight plans with a black dot under the green section marked "No Premium With Low Income Subsidy". These plans are:

- CIGNATURE Rx Value Plan (offered by Cigna)
- Community Care Rx BASIC (offered by MemberHealth)
- PacifiCare Saver Plan (offered by Pacificare Life and Health Insur.)
- SilverScript (offered by SilverScript)
- Medicare RX Rewards (offered by Unicare)
- AARP MedicareRx Plan (offered by United Healthcare)
- United Medicare MedAdvance (offered by United Healthcare)
- WellCare Signature (offered by WellCare)

These are the plans in Alaska that are available at no premium cost to dual eligible beneficiaries (those with Medicare and Medicaid) and those beneficiaries who qualify for Extra help at the "under 135% of the Federal Poverty Level". These are the plans that dual eligible beneficiaries have been auto-enrolled into by CMS in the State of Alaska. Hopefully, Alaska sites will already have agreements in place with many if not most of these plans.

* The beneficiary drug premium covers prescription drugs only and does not cover medical or hospital benefits. Beneficiaries are also responsible for their Part B premium and any premiums for Medigap coverage to meet their individual needs. Includes contracts/plans approved as of October 10, 2005. The data does not reflect information for PACE organizations, Employer sponsored plans, or plans that were not approved by the "As of" date of the chart.
