*Dear Parents/ Guardian,*

As a part of our evaluation process, we ask that both you, the child's parent/guardian, and teacher complete a set of forms. Please make sure to fill out the forms entirely to the best of your ability.

The ADHD ADD History forms are you to complete.

For the NICHQ Vanderbilt Assessment, both you and the teacher will complete this packet. Pay close attention to the tops of the pages as some pages are designated for you, the parent, and some are designated for the teacher.

Generally, the teacher who spends the most time with the child should complete the teacher forms.

Once all of the above forms have been completed, please contact the Pediatric Clinic at (602) 263-1501 (Option 1) to schedule a one-hour ADHD/ADD evaluation appointment with Dr. Haug, Dr. Horais, Dr. Leister, Dr. Lanson, or Dr. Ermann.

Sincerely,

Pediatric Clinic
