July 15, 2015 Minutes:

Mr. Ronald Baron provided an overview of conference call agenda. Minutes from June 3, 2015 LMRC Conference Call covered and LMRC agreed to meeting minutes and were accepted, except that Ms. Anderson asked that any reference to Ms. Garrigan be removed from the minutes.

Due to a lack of agenda input LMRC covered the agenda of June 3, 2015 in more detail.

0962 Series Classifications were discussed where Mr. Duane Phillips addressed matter indicating that 0962 Series Classifications were being reviewed. He indicated that review would be accomplished over the next several months.

Next Ms. Gyorda indicated that Title 38 Premium Pay for nurses and the financial implications are under review at PIMC. Future update will occur once review is complete.

CAPT. Weahkee also indicated that Influenza SGM was almost ready to go out for comment and Mr. Baron indicated that Unions will be afforded an opportunity to provide comment was SGM was ready for comment.

Mr. Baron provided an update on LMRC work groups where work groups had not met. It was his hope that work group meetings would start occurring in the near future.

Mr. Baron provided an update on Union websites where actions were complete for LIUNA and we were working to have AFGE added per their request.

Lastly members of LMRC were asked to think about and provide agenda items for the October 27 and 28, 2015 - Face to Face (Phoenix, AZ)

Conference call meeting adjourned at 13:50 PM EST.
