

The IHS Division of Diabetes
Presents a Webinar

Advancements in Diabetes Seminar
Implementing the AADE Practice Advisory for Diabetic Kidney Disease
Tuesday, December 8, 2015
1:00 – 2:00 pm MST

Speakers: Andrew S. Narva, MD, FACP

Target Audience: Physicians, Nurses, Dietitians and other Healthcare Professionals working in Clinic and Community Health Settings

Agenda:

- **Welcome/Continuing Education Credits**
- ***Implementing the AADE Practice Advisory for Diabetic Kidney Disease***
- **Q & A**
- **Survey/Certificate**

Description:

This presentation is designed to assist diabetes educators in counselling people with diabetes and kidney disease to promote self-management and better outcomes. A curriculum on diabetic kidney disease developed for diabetes educators will be described.

Objectives: As a result of completing this training, participants will be able to:

1. Describe the burden of kidney disease due to diabetes in AI/AN.
2. Utilize lab tests for identifying and monitoring CKD and assessing risk for progression.
3. Describe interventions to slow the progression of CKD and complications of diabetes.
4. Identify at least one change you will incorporate into your clinical or community health practice as a result of the training.

Note: Before you begin the training, you can review the IHS Privacy Policy (http://www.ihs.gov/privacy_policy.asp). Also, you can review the Survey Monkey Privacy Policy for details on how user information submitted in the evaluation is protected.

<http://www.surveymonkey.com/mp/policy/privacy-policy/>

Requirements: You must have a computer with broadband Internet access. For the best experience viewing the videos, use Internet Explorer 7 or greater and Flash 8 player. Click on the "Flash" icon to install the player, if necessary. If you have any trouble viewing the video trainings, contact us at diabetesprogram@ihs.gov for alternate viewing options. If you have trouble viewing this training on-line, check your system to make sure you have the appropriate hardware and software. If you need help or have any questions, please send an email to diabetesprogram@ihs.gov.

To obtain a certificate of continuing education, you must electronically register for the session, participate in the entire live internet activity and complete the online evaluation form by December 21, 2015.

ACCREDITATION:

Continuing Medical Education Credit

The Indian Health Service (IHS) Clinical Support Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The IHS Clinical Support Center designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses Continuing Education Credit

The Indian Health Service Clinical Support Center is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

This activity has been designated 1.0 contact hour for nurses.

Registered Dietitian Continuing Education Credit

The Indian Health Service (IHS) Nutrition and Dietetics Training Program (NDTP) is accredited by the Commission on Dietetic Registration to sponsor continuing professional education for Registered Dietitians. This activity has been awarded 1 CEU. Each attendee should only count the number of hours for each activity attended.

Dental Continuing Education Credit

The Indian Health Service (IHS) Division of Oral Health is an ADA CERP Recognized Provider.

The IHS Division of Oral Health designates this continuing dental education course for 1 hour of credit for each hour of participation. Each attendee should claim only those hours of credit actually spent in the educational activity.

Accreditation applies solely to this educational activity and does not imply approval or endorsement of any commercial product, services or processes by the CSC, IHS, the federal government, or the accrediting bodies

Disclosure Statement: As a provider accredited by ACCME, ANCC, and ACPE, the IHS Clinical Support Center must ensure balance, independence, objectivity, and scientific rigor in its educational activities. Course directors/coordinators, planning committee members, faculty, reviewers and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty will also

disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. All those who are in a position to control the content of this educational activity have completed the disclosure process and have indicated that they do not have any significant financial relationships or affiliations with any manufacturers or commercial products to disclose. No commercial funding was used to support this activity.

The Indian Health Service (IHS) Nutrition and Dietetics Training Program (NDTP) is accredited by the Commission on Dietetic Registration to sponsor continuing professional education for Registered Dietitians. This activity has been awarded 1 CPEU. The IHS NDTP number is NU006. Each attendee should only count the number of hours for each activity attended.
