

## Port Gamble S'Klallam Clinic

### Independently Prepared Master Plan Document

This PSA opted to prepare and submit their own plan instead of utilizing the Innova Group's services. That plan either follows these executive summary pages or is available through the Portland Area Office. These summary pages represent an interpretation of information either found in their master plan or a baseline understanding of the Portland Area Office regarding existing and proposed services. Planning metrics and population projections employed may differ from those utilized by the Innova Group. See actual Service Area Master Plan documentation for detail.
