## **1.0 Purpose of Training**

The Medicare and Medicaid Electronic Health Record (EHR) Incentive Programs provide incentive payments to eligible professionals (EP), eligible hospitals (EH), and critical access hospitals (CAH) that successfully demonstrate meaningful use of certified EHR technology. This course describes and explains the criteria that EPs, EHs, and CAHs must meet in Stage 1 and Stage 2 to qualify for these incentive payments using a 2014 Certified Electronic Health Record Technology.

## **2.0 Prerequisites**

No prerequisites are necessary to attend this course.

### **3.0 Intended Audience**

This training has been prepared specifically for:

- Area Information Technologists
- Area staff
- Meaningful Use (MU) coordinators
- Clinical Application Coordinators
- End Users

## **4.0 Learning Objectives**

At the end of this session, participants will understand how to use the 2014 Resource and Patient Management System EHR to demonstrate meaningful use of performance measures and clinical quality measures.
