The Indian Health Care System:

- **Tribally-operated health care services**
  Tribal facilities are operated under the authority of the Indian Self-Determination and Education Assistance Act (Public Law 93-638, as amended), Titles I and V. There are 12 Title V compacts, funded through 12 Funding Agreements, totaling $110 million. These compacts represent 49 Tribes, which is 47% of all the federally recognized Tribes in California. There are also 33 programs contracted under Title I serving 68 Tribes.

- **Urban health care services and resource centers**
  There are 9 Urban programs, ranging from community health to comprehensive primary health care services.

- **Alcohol Treatment Services**
  There are 4 alcohol treatment programs. Their services range from referral and counseling to residential services.

Population Served:
- Members of 104 federally recognized Tribes
- 90,932 American Indians and Alaska Natives residing on or near reservations
- 8,539 American Indians in Urban clinics (users)
- 167,066 potential AI/AN users in CHSDA and 195,735 potential users not in a CHSDA (2010 census)

Annual Patient Services (*Tribal facilities)*:
- Inpatient Admissions: N/A
- Outpatient visits: 654,256
- Dental visits: 242,65

Appropriations:
- FY 2015 Area Office budget appropriation: $207,042,992
- FY 2016 Area Office budget appropriation: $211,136,156

Third-party collections: N/A for P.L. 93-638

Per capita personal health care expenditures comparisons:
- CAO user population: $2,018 (*excludes OEHE $*)
- IHS user population: $2,690
- Total U.S. population: $7,026 (*CMS Report*)
Human Resources

- Total IHS employees: 114 (42% are Indian; excluding medical professionals listed below)
