Why HIT/HIM?

- * Health Information Technology HIT or RHIT certification
- * Health Information Management (HIM) or RHIA certification
- * Adoption of electronic health record
- * AS and BS degrees are necessary for complex high-skilled technical and management positions

HIM Reimagined

- * HIM Reimagined (HIMR) is an AHIMA Leadership initiative to build a framework to transform health information management (HIM) and position professionals for the future.

HIMR is intended to advance the HIM profession and professional. It offers long-term and phased implementation strategies to ensure the profession is equipped both academically and professionally to advance individuals and HIM to greater levels of relevance while keeping pace with changes in the industry and beyond.
