

2024 California Healthcare Best Practices and Diabetes Day

May 20-23, 2024 | Holiday Inn Sacramento Downtown Arena, Sacramento, CA

California Area Indian Health Service & the IHS Clinical Support Center (Accredited Provider)

Conference Outcome Measures:

- ◆ Incorporate updated medical best practices related to specific GPRA performance measures and IHS initiatives to improve clinical outcomes.
- ◆ Implement new tools and techniques to communicate and engage with patients.
- ◆ Utilize health information technology tools to improve documentation of care.

Target Audience:

Physicians, nurses, behavioral health professionals, mid-level practitioners, pharmacists, dietitians, health information management professionals, clinic support staff, GPRA coordinators, community outreach professionals, Tribal Leaders, healthcare program directors, other healthcare teams and interested community members

Guidelines for Participation and Continuing Education (CE) Credit

- There are no fees to participate.
- Continuing Education is available for Physicians, Nurses, Pharmacists, Social Workers, Psychologists, and Registered Dietitians who participate in this in-person activity.

To receive CE credit for this activity, you must:

- Electronically register and sign in to verify attendance.
- Be present no later than 5 minutes from the start of each approved CE presentation and attend the entire presentation.
- Successfully complete the online course evaluation. The evaluation link will be emailed to registered participants at the close of this activity and will be available for two weeks only, closing on **June 6, 2024**.
- CE certificates will be issued to participants by mid-June.
- Nurses holding CA licenses will be provided a certificate of attendance in accordance with the California Board of Registered Nursing. Please select the appropriate request at end of the online course evaluation.
- For assistance, please contact Rachel Harvey at rachel.harvey@ihs.gov.

ACCREDITATION:

In support of improving patient care, IHS Clinical Support Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Interprofessional Teams

This activity was planned by and for the health care team, and learners will receive up to 22.0 Interprofessional Continuing Education (IPCE) credits for learning and change.

Physicians

The IHS Clinical Support Center designates this live activity for a maximum of 22 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Pharmacists

This live activity provides 22.0 hours of knowledge-based pharmacy continuing education credit with the Universal Activity Number JA4008177-0000-24-057-L99-P.

Credit will be uploaded to the NABP CPE Monitor within 30 days after the activity completion. It is the responsibility of the pharmacist to provide the correct information (NABP ID and DOB (MMDD)) in order to receive credit.

Nurses

This activity is designated up to 22.0 contact hours for nurses.

Social Workers

As a Jointly Accredited Organization, the IHS Clinical Support Center is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. Regulatory boards are the final authority on courses accepted for continuing education credit. Social workers completing this course receive up to 22.0 clinical continuing education credits.

Psychologists

Continuing Education (CE) credits for psychologists are provided through the co-sponsorship of the American Psychological Association (APA) Office of Continuing Education in Psychology (CEP) and the IHS Clinical Support Center. The IHS Clinical Support Center maintains responsibility for the content of the program. Psychologists completing this course receive 22.0 continuing education credits.

Completion of this RD/DTR profession-specific or IPCE activity awards CPEUs (One IPCE credit = One CPEU).

If the activity is dietetics-related but not targeted to RDs or DTRs, CPEUs may be claimed which are commensurate with participation in contact hours (One 60 minute hour = 1 CPEU).

RD's and DTRs are to select activity type 102 in their Activity Log. Sphere and Competency selection is at the learner's discretion.

Disclosure Statement: As a jointly accredited provider of continuing education, the IHS Clinical Support Center must ensure balance, independence, objectivity, and scientific rigor in its educational activities. Course directors/coordinators, planning committee members, faculty, reviewers and all others who are in a position to control the content of this educational activity are required to disclose the existence of all financial relationships with ineligible companies within the prior 24 months. Safeguards against commercial bias have been put in place. Faculty will also disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. All those who are in a position to control the content of this educational activity have completed the disclosure process and have indicated that they do not have any relevant financial relationships or affiliations with any manufacturers or commercial products to disclose.

There is no commercial interest support for this educational activity.
