California Representatives

Primary Tribal Representative
Michael Garcia, Vice Chairman
Ewiaapaayp Band of Kumeyaay Indians

Alternate Tribal Representative
Gary Walker, Tribal Council Member
North Fork Rancheria of Mono Indians of California

Primary Technical Representative
Paul Frazier, Director
Division of Health Facilities Engineering
California Area Indian Health Service
Introduction

- **FAAB** – Facilities Appropriations Advisory Board
  - Members are tribal representatives from each of the 12 IHS Areas and 2 IHS representatives.
  - Advises IHS regarding a wide variety of environmental health and facilities construction and maintenance issues, including its various funding allocation formulae.

- **FNAW** – Facilities Needs Assessment Workgroup
  - Members are technical advisors from each of the 12 IHS Areas.
  - Currently charged by the FAAB to develop Health Care Facilities Need Report supporting the 2016 Report to Congress as required by the IHCIA.
Discussion Point: Both federal space and particularly tribal space have increased since early 1990’s
MI-E Funding Levels
(to support existing space)

Discussion Point 1: Annual M&I levels did not significantly increase from 2004 to 2015 while square footage increased. Note $20M increase in FY2016

Discussion Point 2: M&I funding relatively level while supportable space has increased.
Indian Health Care Improvement Reauthorization & Extension Act

- Section 141-Health Care Facility Priority System (25 U.S.C. § 1631(c)) amends current law by directing the Secretary to maintain a facilities priority system and sets certain requirements for the priority system. Amends requirements for a new report describing the comprehensive, national, ranked list of all health care facilities.
