

Admission Agreement

Regarding Medical/Dental Care Not Available at RSBCIHI

Patient Name	PRC Eligible
	<input type="checkbox"/> Yes <input type="checkbox"/> No
IHS/Tribal Facility Name	

Desert Sage Youth Wellness Center provides substance-use disorder and behavioral health services for eligible Native American youth. Direct medical care and dental services for such patients will be provided through Riverside-San Bernardino County Indian Health, Inc. while in treatment at Desert Sage Youth Wellness Center.

The above IHS/Tribal Program is responsible for Purchased/Referred Care, including any emergency and specialty care (including prescription medications), for the above named patient while at Desert Sage that is not available as direct care through Riverside San Bernardino County Indian Health, Inc. Desert Sage will contact the IHS/Tribal Purchased/Referred Care Program for authorization according to the notification requirements for these services.

By signing this agreement, the above IHS/Tribal facility acknowledges responsibility for Purchased/Referred Care and agrees to process claims for Purchase/Referred Care, including emergency and specialty care (including prescription medications), procured from local providers. IHS/Tribal Program acknowledges that such health care services are not **within the daily cost of inpatient treatment** at Desert Sage.
