

Naming the Northern California Youth Regional Treatment Center

The California Area Indian Health Service is requesting name suggestions for the Northern California Youth Regional Treatment Center (YRTC), located near Davis, California. The Northern YRTC will be a 32 bed coed residential chemical dependency treatment center for Indian Health Service-eligible youth, ages 12 to 17. Learn more about the California YRTC by visiting: <http://www.ihs.gov/california/index.cfm/yrtc-project/>

Please send all questions and name suggestions to:
