IHS Division of Diabetes Treatment and Prevention Advancements in Diabetes Recorded Sessions

Title: Indian Health Service's Joslin Vision Network Teleophthalmology Program: Past, Present, and Future

Presented by:

Dara Shahon, MD

Director

IHS/JVN Teleophthalmology Program

Dawn Clary, OD

Director

IHS/JVN National Reading Center

Type of Activity: Enduring Event (Recorded Webinar)

Release Date: December 11, 2023

Expiration Date: December 10, 2026

Estimated Time to Complete Activity: 60 minutes

Live Session Originally Presented on: November 29, 2023

Target Audience: Physicians, Nurses, Dentists, Pharmacists, Dietitians and other Healthcare Professionals working in Clinic and Community Health Settings

Information about the webinar presentation:

This session will provide information; past, present and future regarding the Indian Health Service's Joslin Vision Network (JVN) Teleophthalmology Program. It will review evidence-based medicine related to the latest guidelines for Diabetes Eye Care. Recommendations for application of these guidelines in Indian country will be discussed in terms of preventing avoidable vision loss due to diabetic retinopathy among AI/Ans using the IHS/JVN program.

Training Objectives and Outcomes: As a result of completing this training, the healthcare team will be able to:

1. Identify the benefits of having an AI/AN community teleophthalmology program and the process to start a program.
2. Examine the current standard of care and its role in preventing the leading cause of new blindness among working age individuals.
3. Determine the adequate retinal examines that meet the current standard of care for diabetic retinopathy in Indian Country.

Requirements: If you plan to join the webinar session, you must have a computer with broadband Internet access. For the best experience viewing the videos, use Microsoft Edge or Google Chrome. If you have any trouble viewing the video trainings, contact us at diabetesprogram@ihs.gov for alternate viewing options. If you have trouble viewing this training on-line, check your system to make sure you have the appropriate hardware and software. If you need help or have any questions, please send an email to diabetesprogram@ihs.gov.

Note: Before you begin the training, you may review the IHS Privacy Policy at the following link: (<https://www.ihs.gov/privacypolicy/>). You may also review the Survey Monkey Privacy Policy for details on how user information submitted in the evaluation is protected. <http://www.surveymonkey.com/mp/policy/privacy-policy/>

Continuing Professional Education (CE) Credit Information: To receive CE credit, you must view the entire training, watch the complete video and review the handout, successfully pass the quiz (score \geq 80%), and complete an evaluation. You will be able to print a "Certificate of Continuing Education Credits" online following the training.

Individuals taking this course for the first time are eligible for CME/CE credit. If you previously completed this, or the live course, you are not eligible for CME/CE credit. If you complete the course more than once, you may obtain a certificate of completion.

Accreditation:

In support of improving patient care, IHS Clinical Support Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 1.0 Interprofessional Continuing Education (IPCE) credit for learning and change.

Credit Designation

Statements

For this activity, credit is designated for:

Physicians

The IHS Clinical Support Center designates this enduring material for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Pharmacists

This activity provides 1.0 hour of Knowledge-based continuing pharmacy education credit. Universal Activity Number: JA4008177-0000-23-083-H99-P

Credit will be uploaded to the NABP CPE Monitor within 30 days after the activity completion. It is the responsibility of the pharmacist to provide the correct information (NABP ID and DOB (MMDD)) in order to receive credit.

Nurses

This activity is designated 1.0 contact hour for nurses.

Completion of this RD/DTR profession-specific or IPCE activity awards CPEUs (One IPCE credit = One CPEU).

If the activity is dietetics-related but not targeted to RDs or DTRs, CPEUs may be claimed which are commensurate with participation in contact hours (One 60 minute hour = 1 CPEU).

RD's and DTRs are to select activity type 102 in their Activity Log. Sphere and Competency selection is at the learner's discretion.

Dental Continuing Education Credit:

To obtain dental continuing education credit please email IHSCDECoordinator@ihs.gov.

Disclosure Statement: As a jointly accredited provider of continuing education, the IHS Clinical Support Center must ensure balance, independence, objectivity, and scientific rigor in its educational activities. Course directors/coordinators, planning committee members, faculty, reviewers and all others who are in a position to control the content of this educational activity are required to disclose the existence of all financial relationships with ineligible companies within the prior 24 months. Safeguards against commercial bias have been put in place. Faculty

will also disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. All those who are in a position to control the content of this educational activity have completed the disclosure process and have indicated that they do not have any relevant financial relationships or affiliations with any manufacturers or commercial products to disclose.

There is no commercial interest support for this educational activity.

Planners

The planning and development included IHS Division of Diabetes Treatment and Prevention and a team of individuals with expertise in relevant professions.
