Title: Food Sovereignty in Indigenous Communities

Presenter: Tonya S. Wapskineh, MPH
Center for Indigenous Health Research and Policy
Oklahoma State University Center for Health Sciences

Type of Activity: Enduring Event (Recorded Webinar)

Release Date: April 5, 2022

Expiration Date: March 22, 2025

Estimated Time to Complete Activity: 60 minutes

Live Session Originally Presented on: March 23, 2022

Information about the webinar presentation:

Indigenous communities experience significant rates of food insecurity, which is associated with obesity, diabetes, and hypertension. Food sovereignty is a concept that can be described as a community's access to and control over their own food system. This presentation provides an overview of food sovereignty and the ways in which food impacts health in Indigenous communities.

Training Objectives and Outcomes: As a result of completing this training, the healthcare team will be able to:

1. Teach co-workers about food sovereignty and its role in supporting food-secure communities.
2. Recognize the significance of food systems and their impact on health in your patients.
3. Identify and implement an Indigenous Food Sovereignty CBPR Conceptual Model to support food systems changes.

Requirements: You must have a computer with broadband Internet access. For the best experience viewing the videos, use Internet Explorer 7 or greater and Flash 8 player. Click on the "Flash" icon to install the player, if necessary. If you have any trouble viewing the video trainings, contact us at diabetesprogram@ihs.gov for alternate viewing options. If you have trouble viewing this training on-line, check your system to make sure you have the appropriate hardware and software. If you need help or have any questions, please send an email to diabetesprogram@ihs.gov.

Note: Before you begin the training, you may review the IHS Privacy Policy at the following link: (<https://www.ihs.gov/privacypolicy/>). You may also review the Survey Monkey Privacy Policy for details on how user information submitted in the evaluation is protected.

<http://www.surveymonkey.com/mp/policy/privacy-policy/>

Continuing Professional Education (CE) Credit Information: To receive CE credit, you must view the entire training, watch the complete video and review the handout, successfully pass the quiz (score \geq 80%), and complete an evaluation. You will be able to print a "Certificate of Continuing Education Credits" online following the training.

Individuals taking this course for the first time are eligible for CME/CE credit. If you previously completed this, or the live course, you are not eligible for CME/CE credit. If you complete the course more than once, you may obtain a certificate of completion.

Accreditation:

In support of improving patient care, IHS Clinical Support Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 1.0 Inter-professional Continuing Education (IPCE) credits for learning and change.

Credit Designation Statements

Physicians

The IHS Clinical Support Center designates this enduring material for a maximum of 1 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses

This activity is designated 1.0 contact hour for nurses.

Registered Dietitian Continuing Education Credit

Effective June 1, 2024, this session will no longer be eligible for CPEU credit for dietetic professionals.

Dental Continuing Education Credit

The Indian Health Service (IHS) Division of Oral Health is an ADA CERP Recognized Provider.

The IHS Division of Oral Health designates this continuing dental education course for 1 hour of credit. Each attendee should claim only those hours of credit actually spent in the educational activity.

Accreditation applies solely to this educational activity and does not imply approval or endorsement of any commercial product, services or processes by the CSC, IHS, the federal government, or the accrediting bodies.

Disclosure Statement: As a jointly accredited provider of continuing education, the IHS Clinical Support Center must ensure balance, independence, objectivity, and scientific rigor in its educational activities. Course directors/coordinators, planning committee members, faculty, reviewers and all others who are in a position to control the content of this educational activity are required to disclose the existence of all financial relationships with ineligible companies within the prior 24 months. Safeguards against commercial bias have been put in place. Faculty will also disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. All those who are in a position to control the content of this educational activity have completed the disclosure process and have indicated that they do not have any relevant financial relationships or affiliations with any manufacturers or commercial products to disclose.

There is no commercial interest support for this educational activity.
