

## **Continuing Education Information**

### **IHS Division of Diabetes Treatment and Prevention**

**Title:** Managing Progressive CKD in People with Diabetes

**Presenter:** Andrew Narva, MD, FACP, FASN

**Type of Activity:** Enduring Event (Web-based training)

**Third Year Expiration Date:** February 28, 2017

**Third Year Release Date:** March 1, 2016

**Review Date:** June 22, 2016. Annual review of the training by the planning committee and content expert determined the information presented remains accurate and reflective of current clinical practice.

**Target Audience:** Indian Health Service, Tribal and Urban (ITU) health care providers in clinical and community health settings.

#### **Activity Overview:**

This on line seminar will discuss the definitions and guidelines for screening, diagnosing, and managing the progression of CKD and the related co-morbidities in people with diabetes. Data regarding current adherence to the guidelines, models for improving outcomes, and opportunities for education and intervention will be described.

#### **Training Objectives:**

As a result of completing this training, participants will be able to:

1. Integrate the standards of care for patients with CKD into clinical practice.
2. Evaluate key tests for screening, diagnosing and monitoring CKD.
3. Formulate a strategy for improving CKD outcomes in the primary care setting.
4. Review and locate tools for patient education tools for CKD.
5. Determine indications for referral to nephrology.
6. Name at least one change you will incorporate into clinical or public health practice.

**Note:** Before you begin any of the web-based trainings, you can review the IHS Privacy Policy ([http://www.ihs.gov/privacy\\_policy.asp](http://www.ihs.gov/privacy_policy.asp)). Also, you can review the Survey Monkey Privacy Policy for details on how user information submitted in the evaluation is protected. (<https://www.surveymonkey.com/mp/policy/privacy-policy/>).

**Requirements:** You must have a computer with broadband Internet access. For the best experience viewing the videos, use Internet Explorer 7 or greater and Flash 8 player. Click on the "Flash" icon to install the player, if necessary. If you have any trouble viewing the video trainings, contact us at [diabetesprogram@ihs.gov](mailto:diabetesprogram@ihs.gov) for alternate viewing options. If you have trouble viewing this training on-line, check your system to make sure you have the appropriate hardware and software. If you need help or have any questions, please send an email to [diabetesprogram@ihs.gov](mailto:diabetesprogram@ihs.gov).

**Continuing Professional Education (CE) Credit Information:** To receive CE credit, you must view the entire training, watch the complete video and review the handout, successfully pass the quiz (score  $\geq$  80%), and complete an evaluation. You will be able to print a "Certificate of Continuing Education Credits" online following the training.

Individuals taking this course for the first time are eligible for CME/CE credit. If you previously completed this course, you are not eligible for CME/CE credit. If you complete the course more than once, you may obtain a certificate of completion.

## Disclosure Statements

As a provider accredited by ACCME, ANCC, and ACPE, the IHS Clinical Support Center must ensure balance, independence, objectivity, and scientific rigor in its educational activities. Course directors/coordinators, planning committee members, faculty, reviewers and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty will also disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. All those in a position to control the content of this educational activity have completed the disclosure process and have indicated that they do not have any significant financial relationships or affiliations with any manufacturers or commercial products to disclose.

There is no commercial interest support for this educational activity.

Accreditation applies solely to this educational activity and does not imply approval or endorsement of any commercial product, services or processes by the CSC, IHS, the federal government, or the accrediting bodies.

## ACCREDITATION:

### Continuing Medical Education Credit
