

**Advancements in Diabetes Webinar  
Team Approach for Diabetes Challenges  
Wednesday, November 15, 2017  
1:00 – 2:00 pm MT**

**Speaker:** Elizabeth Ketner, MD, MHS  
Staff Physician, Internal Medicine  
Gallup Indian Medical Center

**Target Audience:** Physicians, Nurse Practitioners, Physician Assistants, Nurses, Dietitians and other Healthcare Professionals working in Clinic and Community Health Settings

**Agenda:**

- **Welcome/Continuing Education Credits**
- ***Team Approach for Diabetes Challenges***
- **Q & A**
- **Survey/Certificate**

**Description:**

This session will provide discussion of strategies for using evidence-based interventions and a team approach to help adults with Type 2 diabetes improve management of their diabetes. Common challenges with addressing patient issues will be presented and discussed. The importance of individualized assessment and treatment strategies will be emphasized. The process of developing an individualized and multidisciplinary plan of care focusing on the patient's physical, psychosocial, spiritual, emotional, and cultural characteristics/beliefs will be addressed.

**Objectives and Outcomes:** As a result of completing this training, participants will be able to:

1. Collaborate with patients to develop an individualized plan of care focusing on the patient's physical, psychosocial, spiritual, emotional, and cultural characteristics/beliefs.
2. Assess and modify, if necessary, a medication regimen to control hyper or hypoglycemia in an adult with type 2 diabetes
3. Describe the importance of setting realistic treatment goals that aim to reduce or address health disparities and barriers to patient care.
4. Implement a team approach to improve diabetes care and education in your facility/community.

**Note:** Before you begin the training, you can review the IHS Privacy Policy (<https://www.ihs.gov/privacypolicy/>). Also, you can review the Survey Monkey Privacy Policy for details on how user information submitted in the evaluation is protected. <http://www.surveymonkey.com/mp/policy/privacy-policy/>

**Requirements:** You must have a computer with broadband Internet access. For the best experience viewing the videos, use Internet Explorer 7 or greater and Flash 8 player. Click on the "Flash" icon to install the player, if necessary. If you have any trouble viewing the video trainings, contact us at [diabetesprogram@ihs.gov](mailto:diabetesprogram@ihs.gov) for alternate viewing options. If you have trouble viewing this training on-line, check your system to make sure you have the appropriate hardware and software. If you need help or have any questions, please send an email to [diabetesprogram@ihs.gov](mailto:diabetesprogram@ihs.gov).

To obtain a certificate of continuing education, you must electronically register for the session, participate in the entire live activity and complete the online evaluation form by November 22, 2017.
