

**Continuing Education Information
IHS Division of Diabetes Treatment and Prevention
Advancements in Diabetes Recorded Sessions**

Title: *Hypertension Guidelines*

Presenter: Dena Wilson, MD, FACC
IHS Chief Clinical Consultant, Cardiology
Clinical Consultant, IHS Division of Diabetes Treatment and Prevention

Type of Activity: Enduring Event (Recorded Webinar)

Release Date: May 29, 2018

Expiration Date: February 12, 2021

Estimated Time to Complete Activity: 60 minutes

Live Session Originally Presented on: February 13, 2018

Target Audience: Indian Health Service, Tribal and Urban (ITU) health care providers in clinical and community health settings.

Description:

The session will include a discussion of various clinical practice guidelines for hypertension and how they relate to individual hypertension management, including blood pressure measurement, hypertension identification, and the IHS hypertension protocol. In addition, the session will include discussion of assessment of medication adherence in treating hypertension. A clinician tool for using the IHS hypertension protocol for managing hypertension will also be provided.

Training Outcomes/Objectives:

As a result of completing this training, participants will be able to:

1. Describe the importance of understanding clinical practice guidelines and application to individual patient treatment.
2. Outline a plan for assessing patients for hypertension.
3. Integrate the IHS Hypertension Treatment protocol into clinical care.
4. Identify one change you can make in your clinical or public health practice.

Requirements: You must have a computer with broadband Internet access. For the best experience viewing the videos, use Internet Explorer 7 or greater and Flash 8 player. Click on the "Flash" icon to install the player, if necessary. If you have any trouble viewing the video trainings, contact us at diabetesprogram@ihs.gov for alternate viewing options. If you have trouble viewing this training on-line, check your system to make sure you have the appropriate hardware and software. If you need help or have any questions, please send an email to diabetesprogram@ihs.gov.

Note: Before you begin the training, you may review the IHS Privacy Policy at the following link: (<https://www.ihs.gov/privacypolicy/>). You may also review the Survey Monkey Privacy Policy for details on how user information submitted in the evaluation is protected. <http://www.surveymonkey.com/mp/policy/privacy-policy/>

Continuing Professional Education (CE) Credit Information: To receive CE credit, you must view the entire training, watch the complete video and review the handout, successfully pass the quiz (score \geq 80%), and complete an evaluation. You will be able to print a “Certificate of Continuing Education Credits” online following the training.

Individuals taking this course for the first time are eligible for CME/CE credit. If you previously completed this, or the live course, you are not eligible for CME/CE credit. If you complete the course more than once, you may obtain a certificate of completion.

Accreditation:

Continuing Medical Education Credit

The Indian Health Service (IHS) Clinical Support Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The IHS Clinical Support Center designates this enduring material for a maximum of 1 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Continuing Nursing Education Credit

The Indian Health Service Clinical Support Center is accredited with distinction as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

This activity has been designated 1.0 contact hour for nurses.

Registered Dietitian Continuing Education Credit

The Indian Health Service (IHS) Nutrition and Dietetics Training Program (NDTP) is accredited by the Commission on Dietetic Registration to sponsor continuing professional education for Registered Dietitians. This activity has been awarded 1 CPEU. Each attendee should only count the number of hours for each activity attended. The IHS NDTP number is NU006.

Dental Continuing Education Credit
