Course Description

The training will focus on providing knowledge on several topics including- pain management, aberrant behaviors, risk factors, opioid treatments, non-opioid treatments, non-pharmacological treatments, and pain prevalence. Case vignettes will use real-world examples of patient interactions and role-plays to learn how to address difficult issues and topics with patients.

Objectives/Outcomes

At the end of this presentation, participants will be able to:

1. Evaluate the epidemic of unintentional opiate overdose deaths.
2. Demonstrate the Institute of Medicine Guidelines for Best Practices in pain management.
3. Practice safe prescribing of opiate analgesics, with detailed equianalgesic dosing guidelines.

Target Audience

Educators, Health & Educational Administrators, Nurses, Nurse Practitioners, Counselors, Pharmacists, Pharmacy Technicians, Psychologists, Dentists, Physicians, Physicians Assistants, Social Workers, Allied Health Professionals, Psychiatrists.

Presenters Bios

Joanna Katzman, MD, MSPH, is Director of the University of New Mexico (NM) Pain Center and Project ECHO Pain, which received the 2011 American Pain Society Clinical Centers of Excellence Award. She is an Associate Professor at the UNM School of Medicine and currently resides on the New Mexico Governor's Council for "Prescription Drug Misuse, Overdose Prevention, and Pain Management". Dr. Katzman and her team at the UNM Pain Center collaborate with the IHS Telebehavioral Center of Excellence with their weekly teleECHO Pain and Addiction clinic as well as their Essential Trainings on "Best Practices Pain Management". She has directed the UNM Project ECHO Pain program for many years and formally collaborates with the Defense Health Agency to help them replicate teleECHO initiatives. Dr. Katzman has served on two Institute of Medicine (IOM) Committees related to the Gulf War and Health, and is the current President of the American Academy of Pain Management.

Snehal Bhatt, MD, is a board certified physician in General Psychiatry and Addiction Psychiatry. He is on faculty at the University of Mexico as the medical director for the Addictions and Substance Abuse Programs; a clinic serving over 800 patients with addictions, and co-occurring psychiatric illnesses. Additionally, he has been partnering with IHS Center for Telebehavioral Excellence and tribal programs to provide direct care, along with didactics and case consultations to clinicians across the nation. His current research projects include working with prisoners prior to their release in order to reduce recidivism rates, and studying the effects of psilocybin assisted psychotherapy as a treatment for alcoholism. His professional areas of interest include improving access to addictions treatment, managing co-occurring pain and addictive illnesses, teaching, and sociocultural elements of addictive illnesses and treatment.

George Comerchi, Jr., MD, FACP, ADAAPM, is a Professor in the Department of Internal Medicine where he is actively involved in clinical care and teaching. He is also a consultant at the Pain Consultation and Treatment Center and the in Project ECHO Pain and Headache. He is an Advanced Diplomate of the American Academy of Pain Management and, with the help of several colleagues, has developed a curriculum for pain management intended for use by non-interventional physicians. This curriculum was released in 2013 and is available to any practitioner with an interest in improving the care of patients with chronic pain.

Denise E. Taylor, MD, received her doctorate from the University of Medicine. She completed pediatric residencies at Albert Einstein College of Medicine in New York and Tulane University School of Medicine in New Orleans and a physical medicine & rehabilitation residency at the Rusk Institute of Rehabilitation Medicine in New York. She received fellowship training in pediatric rehabilitation at George Washington University Children's National Medical Center. She joined the University of New Mexico Carrie Tingley Hospital in 2003 and is the Chief of the Pediatric Physical Medicine and Rehabilitation division and an Associate Professor in the Department of Pediatrics. Dr. Taylor is Board Certified in Physical Medicine and Rehabilitation, and in the subspecialty of Pediatric Rehabilitation Medicine.

Disclosure Statement

The presenters have no financial relationship to this program.

Adobe Connect First Time Users

The IHS uses Adobe Connect for online meetings. If you have never attended an Adobe Connect meeting before, please test your connection before the session.

http://ihs.adobeconnect.com/common/help/en/support/meeting_test.htm

Hardware Requirements

You must have a computer with broadband Internet access. If you have trouble viewing this training on-line, check your system to make sure you have the appropriate hardware and software. Adobe Connect only requires that you have an internet connection, a web browser, and Adobe Flash Player version 10.1 or greater to attend a web event. Adobe Connect supports nearly any operating system including Windows, Macintosh, Linux, and Solaris, as well as the most widely used browsers including Internet Explorer, Firefox, Safari, and Chrome. If you need help or have any questions, please send an email to ALB_AO.esupport@ihs.gov.

Note: Before you begin the training, you can review the IHS Privacy Policy (<https://www.ihs.gov/privacypolicy/>). Also, you can review the Survey Monkey Privacy Policy for details on how user information submitted in the evaluation is protected.

Continuing Education Information

To receive a certificate of continuing education, you must electronically sign-in for the session, participate in the entire live internet activity and complete the online evaluation. Links to the online evaluation will be provided upon completion of the course. You will be able to download your certificate upon completion of the evaluation. The evaluation for this session will close in two weeks.

NOTE:

- The pre- and post-test are mandatory for Prescribers and Pharmacists. However, any attendee who wishes to receive a certificate of completion for the course upon passing the post-test must complete both as well. Continuing education credits are claimed separately, please look for the link to the type of credit you wish to claim at the end.
- Per APA guidelines partial credit will not be given, you must attend the entire six hours in order to receive credits.
- 5.5 CE, 5.5 CEU, 5.5 NBCC hour or 5.6 contact hours, 5½ AMA PRA Category 1 Credits™, and 5.5 nursing contact hours will be provided for attending this webinar.

Continuing Pharmacy Education

® The University of New Mexico Continuing Education Program is approved by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmaceutical education. UAN 0039-0000-17-067-L04-P has been assigned to this Application based program for Pharmacists. This program provides a total of 5.6 contact hours (0.560 CEUs) of continuing education credit. Partial credit will not be given. You must attend the entire session in addition to completing an online evaluation with-in 1 month of the event date. Certificates are not provided.

URL: <https://unmpharmacyce.org> > Create account if new (NABP ePID# required) > Log-in > click on “Complete Live Activity Evaluations” > locate webinar attended (“Behavioral Health >> Psychosocial Interventions: Pain & Addiction >> Date + Webinar – IHS Essential Training on Pain and Addiction”) > enter access code > verify attendance > answer evaluation questions > receive CPE credit.

Access Code: Provided at the end of Webinar

Continuing Educations for Psychologists

The University of New Mexico Department of Psychiatry Behavioral Sciences, Division of Community Behavioral Health is approved by the American Psychological Association to sponsor continuing educations for psychologists. The University of New Mexico Department of Psychiatry Behavioral Sciences, Division of Community Behavioral Health maintains responsibility for this program and content.

Continuing Education for Counselors and Social Workers

This activity has been approved to provide Continuing Education Units (CEU) by NM Counseling & Therapy Board through Dr. Avron Kriechman at the UNM Department of Psychiatry & Behavioral Sciences, Division of Community Behavioral Health.

UNM CBH is approved by the NBCC as an Approved Continuing Education Provider, ACEP No.6740. Programs that do not qualify for NBCC credit are clearly identified. UNM CBH is solely responsible for all aspects of the programs.

Continuing Education Provider

UNM Division of Community Behavioral Health is the provider for APA, CPE, and NMCT
UNM Dept. of Psychiatry & Behavioral Health, Division of Community Behavioral Health (UNMCBH)
MSC09 5030, 1 UNM, Albuquerque, NM 87131-0001
505-272-6238

Dental Continuing Education

The IHS Division of Oral Health is an ADA CERP Recognized Provider

Medical and Nursing Continuing Education

The Indian Health Service (IHS) Clinical Support Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The IHS Clinical Support Center designates this live activity for a maximum of 5½ *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Indian Health Service Clinical Support Center is accredited with distinction as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

This activity is designated 5.5 contact hours which includes 1.25 hours of pharmacology for nurses.

Accreditation applies solely to this educational activity and does not imply approval or endorsement of any commercial product, services or processes by the CSC, IHS, the federal government, or the accrediting bodies.

Disclosure Statement: As a provider accredited by ACCME, ANCC, and ACPE, the IHS Clinical Support Center must ensure balance, independence, objectivity, and scientific rigor in its educational activities. Course directors/coordinators, planning committee members, faculty, reviewers and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty will also disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. All those who are in a position to control the content of this educational activity have completed the disclosure process and have indicated that they do not have any significant financial relationships or affiliations with any manufacturers or commercial products to disclose.

No commercial interest or non-commercial funding was used to support this activity.
