Amenities/ Utilities/ Internet

- Utilities are separate from rent and must be transferred to your name with Navajo Tribal Utility Authority (NTUA), located one mile from the hospital.
- For internet, you can choose between Frontier Communications or Starlink. Based on recommendations, Starlink is the preferred option. You will need to contact Starlink directly to arrange for hardware and setup.
- All FDIHB homes are equipped with a gas range stove, refrigerator, dishwasher and a garbage disposal. Please note that you will need to provide your own washer and dryer. Home Depot in Gallup, NM, offers delivery and setup services for these appliances.

Wellness Center/ Trail System (Work-Life-Balance)

- Wellness Center: Located 225 yards from the front entrance of Tséhootsooí Medical Center (on the New Mexico side), is open to employees for year-round fitness activities. Take a virtual tour [HERE](#) to explore our facility, built in 2018, which features weights, fitness machines, an indoor running/walking track, a full basketball court, and shower facilities. The Wellness Center also offers various classes, including yoga, spin cycle, and Zumba. Additionally, in collaboration with Navajo Utility Authority's corporate building, Tsehootsooí Medical Center has an outdoor trail system that spans over 3 miles, taking you on a scenic route north of Tsehootsooí Housing and connecting to NTUA's employee trail system.
