# UFMS / IFAS

 UFMS Core Federal Financials

 IFAS

# Benefits of UFMS

- Provide tools and information to empower management.
- Improve financial systems' effectiveness and efficiency.
- Increase economies of scale.
- Strengthen management internal controls.
- Maintain “clean” audit opinions.
- Increase compliance with legislative mandates and regulatory requirements.

# Benefits of IFAS

- Standardize processes
- Replace ARMS functionality lost with UFMS
- Facilitate Asset Accountability and Controls
- Integrate Financial and Performance Data
- Benchmarking
- Assists with Cost Report preparation
- Facilitates reconciliation

# Timelines

---
