

# IHS Standard Terminology Apelon Distributed Terminology System (DTS) Reports

---

The Indian Health Service Office of Information Technology and the RPMS-EHR Program announces the availability of the monthly content reports as part of the RPMS Terminology Project:

These reports can be found on the FTP site at: <ftp://ftp.ihs.gov/pubs/EHR/Terminology/>.

Additional documentation can also be found at the same link that provides further explanation to the content of the monthly DTS Reports:

- IHS DTS Reports Orientation Presentation
- IHS DTS Reports Summary Document

**Note:** Updated reports will be posted to the FTP site with each release of IHS DTS Content (approximately 10-12 releases/year).

Questions about content of material can be initially directed to Carla Stearle ([Carla.Stearle@ihs.gov](mailto:Carla.Stearle@ihs.gov)) or Susan Richards ([Susan.Richards@ihs.gov](mailto:Susan.Richards@ihs.gov))
