WHAT IS DONE TO ONE IS FELT BY ALL

PROTECT OUR CHILDREN
American Indian and Alaska Native children suffer some of the highest rates of abuse in the U.S. Child abuse includes physical abuse, sexual abuse, emotional abuse, and neglect. While physical abuse might be the most visible, other types of abuse, such as emotional abuse and neglect, also leave deep, lasting scars. Recognize, prevent, and take action. To learn more, go to www.childhelp.org.
