<b>PROFESSIONALISM TOTAL</b>		

**SPECIAL ACCOMPLISHMENT**

**(Max. Points: 70)**

The nominee’s contribution, through a special accomplishment, in advancing the mission of the IHS Division of Environmental Health Services.

<p><b>Public Health Approach</b> (15 points max.)</p>	<p>Sub-Total</p>
<p>The nominee employed a comprehensive public health approach (e.g., 10 Essential Services) in the design and implementation of the Special Accomplishment. Considerations include the overall design of the accomplishment, complexity of the problem/need, the application of best practices, stakeholder collaboration, and the project’s impact on the public health issue. Scoring will take into account those approaches using novel or innovative practices.</p> <p style="text-align: center;">                 Low = 0 to 5 points                  Moderate = 6 to 10 points                  High = 11 to 15 points             </p>	
<p><b>Problem Identification</b> (15 points max.)</p>	<p>Sub-Total</p>
<p>Sound public health practices were utilized to collect data (qualitative and/or quantitative) which identified the need/problem and drove the development of the Special Accomplishment. Scoring will take into account previously unknown problems.</p> <p style="text-align: center;">0 to 15 points based on data collection methods and use of data in decision making.</p>	
<p><b>Evaluation</b> (15 points max.)</p>	<p>Sub-Total</p>
<p>The nominee developed an evaluation plan to monitor the progress of the Special Accomplishment. The award write-up reflects this by highlighting the evaluation planning activity.</p> <p style="text-align: center;">0 to 15 points based on the quality of the evaluation plan.</p>	
<p><b>Impact</b> (15 points max.)</p>	<p>Sub-Total</p>
<p>The degree to which the Special Accomplishment is a positive influence on reducing the risk of injury/illness or improving efficiencies within the EH program. Scoring will take into account accomplishments which increased the capacity (new knowledge, skill, ability) within a tribal or federal EH program.</p> <p style="text-align: center;">                 No to Low Impact = 0 to 5 points                  Moderate Impact = 6 to 10 points                  High Impact = 11 to 15 points             </p>	
<p><b>Adaptability</b> (10 points max.)</p>	<p>Sub-Total</p>
<p>The degree to which the Special Accomplishment has been established as a promising/best practice and applied at other local/regional areas; or at the national level.</p> <p style="text-align: center;">                 Not adapted = 0 points                  Adapted at ≥ 1 additional local level organization (tribe/service unit) = 1 to 3 points                  Adapted at ≥ 1 additional regional level organization (IHS area, state) = 4 to 6 points                  Adapted at a national level = 7 to 10 points             </p>
