

Continuing Education Information

IHS Division of Diabetes Treatment and Prevention

Title: Diabetes Foot Care

Presenter: Stephen Rith-Nijarian, MD

Type of Activity: Enduring Event (Recorded Webinar)

Release Date: December 14, 2020

Expiration Date: December 13, 2023

Estimated Time to Complete Activity: 60 minutes

Reviewed and Revised: December 2, 2019

Target Audience: Indian Health Service, Tribal and Urban (ITU) health care providers in clinical and community health settings

Activity Overview: This on-line training provides a review of foot care for people with diabetes and includes information on screening, interventions and treatment and prevention of injuries. A description of a Best Practice in Foot Care is also included.

Training Objectives: After completing this training, the healthcare team will be able to:

1. Identify risk factors for diabetic foot complications
2. Evaluate and provide a complete diabetic foot exam
3. Apply effective intervention strategies to decrease foot complications
4. Educate high risk patients to recognize early signs of foot complications
5. Incorporate into practice key components of the chronic care model for improving diabetic foot care

Requirements: You must have a computer with broadband Internet access. For the best experience viewing the videos, use Internet Explorer 7 or greater and Flash 8 player. Click on the "Flash" icon to install the player, if necessary. If you have any trouble viewing the video trainings, contact us at diabetesprogram@ihs.gov for alternate viewing options. If you have trouble viewing this training on-line, check your system to make sure you have the appropriate hardware and software. If you need help or have any questions, please send an email to diabetesprogram@ihs.gov.

Note: Before you begin the training, you may review the IHS Privacy Policy at the following link: (http://www.ihs.gov/privacy_policy.asp). You may also review the Survey Monkey Privacy Policy for details on how user information submitted in the evaluation is protected. <http://www.surveymonkey.com/mp/policy/privacy-policy/>

Continuing Professional Education (CE) Credit Information: To receive CE credit, you must view the entire training, watch the complete video and review the handout, successfully pass the quiz (score \geq 80%), and complete an evaluation. You will be able to print a "Certificate of Continuing Education Credits" online following the training.

Individuals taking this course for the first time are eligible for CME/CE credit. If you previously completed this, or the live course, you are not eligible for CME/CE credit. If you complete the course more than once, you may obtain a certificate of completion.

Accreditation:

Individuals taking this course for the first time are eligible for CME/CE credit. If you previously completed this, or the live course, you are not eligible for CME/CE credit. If you complete the course more than once, you may obtain a certificate of completion.
