Advancements in Diabetes Recorded Sessions

Title: Managing Diabetes through the COVID-19 Crisis

Presenters: M. Carol Greenlee, MD, FACP, FACE
Chair, Counsel of Subspecialty Societies, American College of Physicians
Chair, High Value Care Coordination work group, American College of Physicians
Faculty, ECHO Diabetes sessions, Northwest Portland Area Indian Health Board
and
Vivian Huang, MD, MPH
Area Diabetes Consultant
Navajo Area Indian Health Service

Type of Activity: Enduring Event (Recorded Webinar)

Release Date: April 7, 2020

Expiration Date: April 1, 2021

Estimated Time to Complete Activity: 60 minutes

Live Session Originally Presented on: April 2, 2020

Information about the webinar presentation: An update on the state of the coronavirus disease (COVID-19) epidemiology in Indian Country will be presented, along with information on what can be done to prevent or deal with COVID-19 infection in people with diabetes (PWD). The session will also provide an overview of the potential impact of COVID-19 on PWD and will include discussion of diabetes as an underlying medical condition in people who acquire COVID-19. The session will review the public health and diabetes specific efforts that PWD and those who care for them need to be advised of in order to optimize outcomes during this crisis.

Training Objectives and Outcomes: As a result of completing this training, participants will be able to:

1. Help people with diabetes stay healthy and prepared in a time of potential illness or emergency as a result of COVID-19.
2. Provide education and support for clients and their families to reduce risk of contracting COVID-19 by following CDC guidance.
3. Examine challenges and changes to diabetes management that may be required during illness with COVID-19.

Requirements: You must have a computer with broadband Internet access. For the best experience viewing the videos, use Internet Explorer 7 or greater and Flash 8 player. Click on the "Flash" icon to install the player, if necessary. If you have any trouble viewing the video trainings, contact us at diabetesprogram@ihs.gov for alternate viewing options. If you have trouble viewing this training on-line, check your system to make sure you have the appropriate hardware and software. If you need help or have any questions, please send an email to diabetesprogram@ihs.gov.

Note: Before you begin the training, you may review the IHS Privacy Policy at the following link: (<https://www.ihs.gov/privacypolicy/>). You may also review the Survey Monkey Privacy Policy for details on how user information submitted in the evaluation is protected. <http://www.surveymonkey.com/mp/policy/privacy-policy/>

Continuing Professional Education (CE) Credit Information: To receive CE credit, you must view the entire training, watch the complete video and review the handout, successfully pass the quiz (score \geq 80%), and complete an evaluation. You will be able to print a "Certificate of Continuing Education Credits" online following the training.

Individuals taking this course for the first time are eligible for CME/CE credit. If you previously completed this, or the live course, you are not eligible for CME/CE credit. If you complete the course more than once, you may obtain a certificate of completion.

Accreditation:

In support of improving patient care, IHS Clinical Support Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit Designation Statements.

Physicians

The IHS Clinical Support Center designates this enduring material for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses

This activity is designated 1.0 contact hour for nurses.

Registered Dietitian Continuing Education Credit

The Indian Health Service (IHS) Nutrition and Dietetics Training Program (NDTP) is accredited by the Commission on Dietetic Registration to sponsor continuing professional education for Registered Dietitians. This activity has been awarded 1 CPEU. Each attendee should only count the number of hours for each activity attended. The IHS NDTP number is NU006.

Accreditation applies solely to this educational activity and does not imply approval or endorsement of any commercial product, services or processes by the CSC, IHS, the federal government, or the accrediting bodies.

Disclosure Statement: As a jointly accredited provider of continuing education, the IHS Clinical Support Center must ensure balance, independence, objectivity, and scientific rigor in its educational activities. Course directors/coordinators, planning committee members, faculty, reviewers and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty will also disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. All those who are in a position to control the content of this educational activity have completed the disclosure process and have indicated that they do not have any relevant financial relationships or affiliations with any manufacturers or commercial products to disclose.

There is no commercial interest support for this educational activity.

Planners

The planning and development included IHS Division of Diabetes Treatment and Planning and a team of individuals with expertise in relevant professions.
