- Combine with another strategy?

CATEGORIES OVERVIEW

Strategies are organized into the following categories:

- **Operations** - Activities needed to run the current system.
- **Actual/Already in Progress** - IHS has already initiated actions in this area.
- **Improvement** - Actions to improve the systems through reorganization of some process or service.
- **Longer Term Implementation** - Would require longer than 5 year implementation.
- **Beyond Our Scope** - Requires actions from outside agency, legislative changes, significant resources beyond current budget.
