

TA Webinar:

DVPI Purpose Area #2

Forensic Healthcare

(sane/sart)

Version 2

Purpose of TA Webinar

- To review and familiarize the grantees/federal projects with:

- 1. IMPORTANT UPDATES:**

- Year 1 Project Narrative revisions
- Year 2 Project Narrative development

2. DVPI Purpose Area #2 (overall goals and objectives)

3. Project Narrative requirements

4. Review technical assistance available

5. Q&A session

Learning Objectives

1. Participants will confirm next steps for Project Narrative development.
2. Participants will be able to identify the overall goals of DVPI and specific DVPI Purpose Area #2 objectives for use in the development of the Project Narrative.
3. Participants will be able to identify and follow Project Narrative requirements.
4. Participants will be able to identify technical assistance options and contacts.

IMPORTANT UPDATES

Year 1 Project Narrative Revisions

Year 2 Project Narrative Development

Year 1 Project Narrative Revisions

- During the MSPI/DVPI Kickoff Meeting in Denver, CO, all projects were informed that they were to move forward with Project Narrative revisions for Project Year 1.
- The Division of Grants Management and the Division of Behavioral Health concluded that Project Narrative revisions for Project Year 1 **should not be a current requirement** since projects are currently in a planning phase and well into Project Year 1.

YR1 Project Narrative Revisions: NO LONGER REQUIRED

- **Project Narrative revisions for Project Year 1 are no longer a requirement for submission.**
- Official contacts for all projects were emailed on Monday, February 1st to inform that they were no longer required to submit project narrative revisions for YR1.
- Official contacts were also informed in that same email that they **could begin developing their YR2 project narratives.**

Year 2 Project Narrative Development

- **Year 2 Project Narratives** will be one (1) requirement for the **Continuation Application Kit** for all grantees/federal awardees.
- Year 2 Project Narrative development should be the focus of the grantees/federal awardees moving forward.
- More information on the Continuation Application Kits requirements, access, and process will be disseminated to grantees/federal awardees on February 29, 2016 by GrantSolutions (for grantees) and DBH (for federal awardees).

DVPI Purpose, Overall Goals, & Specific Objectives

DVPI Purpose

- The primary purpose of the DVPI is to accomplish 6 overall goals.
- For DVPI Purpose Area #2, you will be addressing all 6 overall goals.

DVPI Goals 1, 2, and 3

1. Build Tribal, UIHP, and Federal capacity to provide coordinated community responses to American Indian/Alaska Native (AI/AN) victims of domestic and sexual violence.
2. Increase access to domestic and sexual violence prevention, advocacy, crisis intervention, and behavioral health services for AI/AN victims and their families.
3. Promote trauma-informed services for AI/AN victims of domestic and sexual violence and their families.

DVPI Goals 4, 5, and 6

4. Offer healthcare provider and community education on domestic and sexual violence.
5. Respond to the healthcare needs of AI/AN victims of domestic and sexual violence.
6. Incorporate culturally appropriate practices and/or faith-based services for AI/AN victims of domestic and sexual violence.

DVPI Purpose Areas

- Purpose Area #1: Domestic and Sexual Violence Prevention, Advocacy, and Coordinated Community Responses
- **Purpose Area #2: Forensic Healthcare**

DVPI Purpose Area #2 Objectives

- Your DVPI grant/federal award will address **ALL 8** of the following specific objectives for DVPI Purpose Area #2:
 1. Expand available medical forensic services to victims of domestic and sexual violence;
 2. Foster coalitions and networks to improve coordination and collaboration among forensic healthcare programs to ensure adequate services exist either on-site or by referral for victims of domestic and sexual violence 24/7 year round;

DVPI Purpose Area #2 Objectives (cont.)

3. Educate and train providers to conduct medical forensic examinations;
4. Promote community education on available medical forensic services;
5. Improve health system organizational practices to improve medical forensic services and care coordination among victim services;

DVPI Purpose Area #2 Objectives (cont.)

6. Establish local health system policies for sexual assault, domestic violence, and child maltreatment;
7. Integrate culturally appropriate treatment services throughout the medical forensic examination process; and
8. Implement trauma informed care interventions to support victims and their children.

Moving Forward with the Development of Year 2 Project Narratives

Development of Year 2 Project Narratives

- Many awarded projects did not address the DVPI Purpose Area specific objectives as required in the grant application for Project Year 1.
- All grantees/federal awardees are required adhere to the Project Narrative requirements listed in the funding opportunity announcement for the Year 2 Project Narratives.
- These TA webinars are scheduled for projects to provide everyone with guidance on the requirements so you are all successful with development of Year 2 Project Narratives.

Development of Year 2 Project Narratives

- Don't Panic!
- You are no longer required to submit revisions to Year 1 Project Narratives.
- You have a **4 months** to begin developing your **Year 2 Project Narratives**.
- IHS will be conducting TA webinars throughout the month of February and the first week of March 2016.

Development of Year 2 Project Narratives

Q: What if I have questions about this process or how to start writing my Year 2 Project Narrative?

- Contact your assigned IHS Area Project Officer who can provide you with technical assistance.

Q: Is it too soon to start working on Year 2 Project Narratives?

- Start the required revisions process now – the sooner you start, the more time you have for questions and to receive guidance.

REMEMBER!

- You will submit your Year 2 Project Narrative revisions as part of your **Continuation Application Kit**.
- They will not be submitted separately.
- More information will be provided regarding the Continuation Application Kits on February 29, 2016.

Year 2 Project Narrative Requirements

Guidance in the
Funding Opportunity announcement (FOA)

Recommendations

Evidence-Based Practices, Practice-Based Evidence, Promising Practices and Local Efforts

- IHS strongly emphasizes the use of data and evidence in policymaking and program development and implementation.
- Applicants must identify one or more evidence-based practice, practice-based evidence, best or promising practice, and/or local effort that they plan to implement.

Guidance on the Development of Project Narratives in the FOA

- DVPI promotes the use and development of evidence-based and practice-based models that represent culturally-appropriate prevention and treatment approaches to domestic violence and sexual assault from a community-driven context.

Guidance on the Development of Project Narratives in the FOA

- In the “**Application Review Information**” section of the funding opportunity announcement (FOA), please reference “**Section B: Project Narrative/Proposed Approach/Project Plan**” (page 28) for detailed instructions on how to write the Project Narrative.

Recommendations

- When you are ready to begin developing your Year 2 Project Narrative, we recommend that you:
 - **Reference the funding opportunity announcement (FOA) guidance.**

Recommendations

- **Use the DVPI Purpose Area #2 specific objectives:**

1. Expand available medical forensic services to victims of domestic and sexual violence;
2. Foster coalitions and networks to improve coordination and collaboration among forensic healthcare programs to ensure adequate services exist either on-site or by referral for victims of domestic and sexual violence 24/7 year round;

Recommendations

3. Educate and train providers to conduct medical forensic examinations;
4. Promote community education on available medical forensic services;
5. Improve health system organizational practices to improve medical forensic services and care coordination among victim services;

Recommendations

6. Establish local health system policies for sexual assault, domestic violence, and child maltreatment;
7. Integrate culturally appropriate treatment services throughout the medical forensic examination process; and
8. Implement trauma informed care interventions to support victims and their children.

Recommendations

- Confirm that the Year 2 Project Narrative addresses **ALL the required objectives listed for your chosen Purpose Area.**
- Review all Project Narrative **activities** and make sure they fit with and address the specific objectives.
- Make sure that the Year 2 Project Narrative matches the budget/budget narrative for your project.
 - You will be working on developing a Year 2 budget/budget narrative for the Continuation Application Kit as a requirement.

Local Data Collection Plan

- **REMINDER:** All grantees/federal awardees will work with their TA Provider on their Local Data Collection Plan in Project Year 1 & the beginning of Project Year 2.
- All grantees/federal awardees are expected to finalize the Local Data Collection Plan by **May 2017** for submission to the Division of Behavioral Health.
- Revisions and submission of the Local Data Collection Plan are **not required** at this time.

Who should I contact for questions?
