Program Objectives:

1. Engage commercial tobacco users in a culturally relevant and sensitive manner.
2. Assess for commercial tobacco use and exposure to secondhand/thirdhand smoke.
3. Conduct a culturally responsive integrated, stage-specific Five A Model brief intervention for health risk behavior change.
4. Demonstrate effective use of culturally adapted patient self-management resources to evoke confidence in a health risk behavior change.
5. Describe pharmacotherapy options for commercial tobacco dependence treatment.
6. Document details of interventions for treatment of commercial tobacco dependence.
7. Follow-along and follow-up with individuals using a disease management approach.
8. Refer patients/clients who use commercial tobacco to relevant intensive treatment services.
9. Connect Native people who are dependent on commercial tobacco with supportive resources.
10. Establish protocols to systematically prevent/treat commercial tobacco use and dependence.

This program has been approved for up to 7.5 contact hours (0.75 CEU) pharmacy continuing education credit by the Arizona Pharmacy Alliance, an ACPE approved provider. ACPE UAN# 0100-9999-15-001-L04-P (Knowledge-based activity).
The Arizona Pharmacy Alliance is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.
