

HO-CHUNK NATION

TRIBAL INJURY PREVENTION COOPERATIVE AGREEMENT PROGRAM (TIPCAP)

Our injury prevention goal is to:

- Increase car seat use in Ho-Chunk Nation

We engage with communities through:

Hosting car seat check events and providing child safety seats to community members

Training Child Passenger Safety Technicians and providing continuing education for existing technicians

Observing and recording community car seat use

About Ho-Chunk Nation:

Service area:

- 15 counties in Wisconsin

Service population:

- 5,505 members within the service area

Funding source:

- IHS TIPCAP
