S.M.A.R.T. MOVES

(Skills Mastery and Resistance Training)

WHAT IS SMART MOVES?

- SMART (Skills Mastery and Resistance Training) Moves is a prevention curriculum that is designed to give children a firm foundation for healthy choices about drugs, alcohol, suicide and other risky behaviors.
- It will teach children to have confidence in themselves and their ability to master their environment.
- Believing in themselves and coming to a realization of their own value is an essential part of this process.
