MSPI Generation Indigenous

GOAL 6: Promote Youth Development

PA 4: Generation Indigenous Support

O1: Implement evidence-based strategies
O2: Promote family engagement
O3: Increase Access to prevention
O4: Hire Additional BH Staff
Gen-I Purpose Area 4 Objectives

Objective 1
- Implement evidence-based and practice-based approaches to build resiliency, promote positive development, and increase self-sufficiency behaviors among Native Youth;

Objective 2
- Promote family engagement;

Objective 3
- Increase access to prevention activities for youth to prevent methamphetamine use and other substance use disorders that contribute to suicidal behaviors, in culturally appropriate ways; and

Objective 4
- Hire additional behavioral health staff specializing in child, adolescent, and family services who will be responsible for implementing the project's activities that address all the broad objectives.
MSPI Gen-I Projects by Area

*Urban Projects spread across the country*
Gen-I Project Demographics

- **81** Tribes
- **17** Urban Programs
- **10** IHS Federal Facilities
Urban Indian Organizations (UIOs)

- IHS currently supports through Title V Indian Health Care Improvement Act (IHCIA) contracts to 41 urban health programs.
- These 41 programs represent 20 states and serve over 100,000 AI/ANs residing in urban communities across the United States.
- To learn more, visit the IHS Office of Urban Indian Health Care Programs at www.ihs.gov/urban
