Luana Reyes Leadership Award

CAPT Chris Buchanan

Director of the Office of Direct Services and Contracting Tribes

The Luana Reyes Leadership Award is presented to an individual whose professional and/or community involvement demonstrates the kind of leadership that Ms. Luana Reyes exemplified. Her humility, drive, and ability to empower others made her the kind of leader people followed. This award acknowledges that legacy and highlights the recipient's potential to make a positive difference in the lives of American Indian and Alaska Native people.

The IHS Director's Award Ceremony recognizes the outstanding contributions of individuals, teams, and partners in the Indian health care system who have demonstrated their unwavering commitment to eliminating health disparities among American Indian and Alaska Native people. They serve as an inspiration to us all.
