IHS Committees/Workgroups

Committees and Boards	Purpose and Membership
Health Promotion/ Disease Prevention Policy Advisory	The HP/DP Policy Advisory Committee is established to provide oversight and guidance for eliminating health disparities through the Director's "HP/DP Initiative."
Committee (HP/DP PAC)	 Members: Two members each from the National Congress of American Indians, the National Indian Health Board, the Tribal Self-Governance Advisory Committee, and the National Council of Urban Indian Health. Up to six regional Tribal Leaders. Federal partners from the Operating Divisions and the Office of the Secretary. Headquarters staff.
	Meets: 4 times per year Contact: Alberta Becenti Health Promotion Disease Provention
	Health Promotion Disease Prevention
Direct Service Tribes Advisory Committee (DSTAC)	(301) 443-4305 The DSTAC is established to provide leadership, advocacy and policy guidance. The DSTAC will: A. Assist and advise on the development of Indian health policy that impacts the delivery of health care for Indian Tribes with an emphasis on policies that impact the Direct Service Tribes B. Actively participate, to the greatest extent possible, in IHS decision-making that affects the delivery of health care; and C. Provide verbal and written recommendations to the Director, IHS.
	Members: The planning committee workgroup consists of 18 members; 9 primary representatives and 9 alternate representatives from the direct service tribes in 9 areas. All representatives and alternates were selected by the member's respective Area Director. Meets: 4 times per year
	Contact: Ronald Demaray Office of Tribal Programs (301) 443-1104

Tribal Leaders	The TLDC will make recommendations to establish broad-based
Diabetes Committee	policy and advocacy priorities for diabetes and related chronic disease activities to the Director, IHS. The TLDC will:
(TLDC)	A. Make recommendations and provide advice on policy and
	advocacy issues concerning diabetes and related chronic
	diseases
	B. Provide advice and guidance to ensure the incorporation of
	appropriate culture, traditions, and values in program
	development, research, and community-based activities
	C. Provide broad-based guidance and assistance in defining how
	other Federal Agencies and organizations, States, Tribal
	epidemiology centers, institutions of higher learning and
	private health organizations can play a role in addressing diabetes and related chronic diseases and
	D. Serve as a Tribal advisory committee to the Centers for Disease
	Control and Prevention's Native Diabetes Wellness Program
	Members: The Tribal Leaders Diabetes Committee includes 18
	members -
	1. One elected or appointed Tribal official (and alternate) from each of the 12 IHS administrative areas (voting members).
	2. One IHS representative (voting member).
	3. One representative (and alternate) from each of the following
	organizations (non-voting members):
	a. National Indian Health Board
	b. National Congress of American Indians
	c. Tribal Self-Governance Advisory Committee
	d. Direct Service Tribes
	e. National Council of Urban Indian Health
	Meets: 4 times per year
	Contact: Kelly Acton, M.D. Division of Diabetes Treatment and Prevention
	(505) 248-4182
National Tribal	The NTACBH directs the behavioral Health Initiative focusing on
Advisory Committee	preventing suicide, reducing methamphetamine abuse, protecting
on Behavioral Health	families from violence and improving data quality. The NTACHB
(NTACBH)	members will discuss the behavioral health priorities for their Tribal
	communities, recommending strategies and resources for the
	Behavioral Health Initiative.
	Members: 12 elected tribal officials representing each IHS Area, and
	one senior agency representative as co-chair
	Meets: 2 times per year, and ad-hoc depending upon Agency needs

	Contact: Jon Perez , Ph.D. Division of Behavioral Health (301) 281-1777
Tribal Self- Governance Advisory Committee (TSGAC)	The TSGAC provides advice to the IHS Director and assistance on issues and concerns pertaining to Tribal Self-Governance and the implementation of the Self-Governance within the IHS. The TSGAC represents Self-Governance Tribes by acting on their behalf to clarify issues that affect all compacting tribes specific to issues affecting the delivery of health care of American Indian and Alaska Natives. On a quarterly basis, they meet to confer, discuss, and come to consensus on specific Self-Governance issues. Additionally, the TSGAC provides verbal and written advice about Self-Governance issues to the Director, IHS and the Director of the Office of Tribal Self-Governance. Members: Delegates and alternates to the TSGAC are elected Tribal officials or their designee with written authority to represent their respective IHS Area. The TSGAC is provided support from a Tribal/Federal Technical Workgroup whenever situations warrant further research and review to carry out a policy issue for the TSGAC.
	Meets: 4 times per year
	Contact: Hankie P. Ortiz Office of Tribal Self-Governance (301) 443-7821
IHS Information systems Advisory Committee (ISAC)	Established to guide the development of a co-owned Indian health information infrastructure and information systems. The ISAC will assist in ensuring that the information systems are available, accessible, useful, cost effective, user-friendly, and secure for local-level providers, and that these systems continue to create standardized aggregate data that supports advocacy for the Indian health programs at the national level. Recognizing that the health care delivery environment and information technologies that support it are rapidly changing, the ISAC will be flexible in interpreting the roles and rules of this document and revise them as necessary to best meet its goal.
	Members: Federal and Tribal Group Meets: At least twice annually either in person, by telephone, or
	through video-conference. Contact: Theresa Cullen, M.D.
	Contact. Theresa Curren, M.D.
