

## Indian Health Service NPTC Strategic Initiative: Recognition and Treatment of Latent TB in Indian Country =Clinical Toolkit=

If you are looking for **resources for you or your staff** to learn more about having effective conversations with patients about latent TB, these may help:

- NPTC Formulary Brief (2019) - [Tuberculosis Treatment](#)
- NPTC Formulary Brief (2013) - [Rifapentine](#)
- I.H.S. Chest Clinic Guidelines
- Pharmacy Policy/Procedure Template- 3HP Directly Observed Therapy
- E.H.R. Template for 3HP Treatment - [Templates](#)
- Latent TB Screening & Treatment Quick Reference Card
- Latent TB Cascade of Care
- CDC Slide Set:
  - [Targeted Tuberculosis \(TB\) Testing and Treatment of Latent TB Infection](#)
- MMWR Recommendations (5/2019):
  - [Tuberculosis Screening, Testing, and Treatment of U.S. Health Care Personnel: Recommendations from the National Tuberculosis Controllers Association and CDC, 2019](#)
- CDC Fact Sheets: Screening/Diagnosis
  - [Targeted Tuberculosis Testing & Interpreting Tuberculin Skin Test Results](#)
- CDC Fact Sheets: Treatment
  - [Treatment Options for Latent Tuberculosis Infection](#)
  - [Treatment of Latent Tuberculosis Infection: Maximizing Adherence](#)
- National Tuberculosis Controller Association: Provider Guidance
  - [Using the Isoniazid/Rifapentine to Treat Latent Tuberculosis Infection](#)

Examples of resources for providers **to share with patients** include:

- CDC Fact Sheets- Patient Education
  - [Testing for Tuberculosis \(TB\)](#)
  - [What You Need to Know About Your Medicine for Latent Tuberculosis Infection \(TB\) Infection: Isoniazid and Rifapentine](#)
- Infographic- Patient Education
  - Patient Information: [The 12-dose Regimen for Latent Tuberculosis \(TB\) Infection](#)
  - Medication Tracker: [The 12-dose Regimen for Latent Tuberculosis \(TB\) Infection](#)

Videos:

- Latent TB Videos for Healthcare Providers: [Online Video Series](#) (UCSF)  
This series of three videos aims to help providers talk to their patients about latent TB infection testing and treatment. Each of the videos are two-minutes long. The topics covered include;
  - Video 1: [Why Should I Get Testing for Latent TB?](#)
  - Video 2: [Why Do I Need Treatment for Latent TB?](#)

If you would like posters to **display in your office**, here are some that may be helpful:

- Poster- [Stop TB](#)
- Poster- [Think TB](#)
