2nd Level Subagency Report

This 2023 Federal Employee Viewpoint Survey (FEVS) Report provides summary results for the core survey, telework, and demographic items for your subagency, including comparisons to your department or agency. Also presented in this report are FEVS index results. An index is a collection of items that statistically cluster together and can be combined into a single score for interpretation and/or analysis. Indices speak to an aspect of employee perspectives and experiences and are indicators of effectiveness. Established FEVS indices displayed in this report include the Employee Engagement Index (EEI), Global Satisfaction Index (GSI), Performance Confidence Index (PCI), and Diversity, Equity, Inclusion, and Accessibility (DEIA).

The Employee Experience Index (EXI) is new and measures the extent to which employees are engaged by their work and their organization. While the established Employee Engagement Index is a measure of the conditions for engagement (e.g., whether a workplace has the right environment to foster engaged employees) the new EXI assesses whether employees actually experience the state of engagement. It gives agencies another tool for assessing whether actions to improve engagement have had the intended effect.

Top 10 Positive & Negative Items and Leading & Trailing Your Comparison Group

These sections provide high level information on how your subagency is doing.

Main Report Results

The results include response percentages for each survey item followed by index and sub-index scores. The definitions for the Positive, Neutral, and Negative response percentages vary in the following ways across the three primary response scales used in the survey:

Positive: *Strongly Agree* and *Agree* or *Always* and *Most of the time* or *Very Good* and *Good* or *Very Satisfied* and *Satisfied*

Neutral: *Neither Agree nor Disagree* or *Sometimes* or *Fair* or *Neither Satisfied nor Dissatisfied*

Negative: *Disagree* and *Strongly Disagree* or *Rarely* and *Never* or *Poor* and *Very Poor* or *Dissatisfied* and *Very Dissatisfied*

Positive, Neutral, and Negative percentages are based on the total number of responses (N) that are in these three categories. The number of *Do Not Know (DNK)*, *No Basis to Judge (NBJ)*, *There have been no recent hires in my work unit*, *I do not have any accessibility needs*, where applicable, is listed separately.

Note: A "—" indicates that there were no responses to the item, and therefore results are not shown.
