

MAKE IT YOUR MISSION CERTIFIED REGISTERED NURSE ANESTHETIST

Find your Full Package with an IHS Career

At IHS, you have more than a job—you have a mission to raise the physical, mental, social, and spiritual health of American Indian and Alaska Native (AI/AN) people to the highest level. As an IHS CRNA, you will design and deliver anesthetic care from pre-operative assessment through recovery, make high-impact clinical decisions, and provide essential care to patients all while advancing your career in a meaningful, mission-focused setting.

COVERAGE

Rest easy knowing that IHS has you and your family's insurance needs covered. Insurance coverage may follow you into retirement after 5 years of vested service and maintaining FEHB in the 5 years leading up to retirement (conditions apply).

CAREER AND GROWTH

Start your career at IHS and benefit from opportunities to build your skills and professional growth by leveraging IHS professional development programs to fit your specific long-term career goals.

RETIREMENT BENEFITS

Earn an amazing retirement package including a traditional (defined benefit) federal pension, a 401(k) Thrift Savings Plan (TSP) with employer matched contributions, and Social Security.

CREDIT FOR MILITARY

As an IHS employee, you can choose to carry over eligible military service time that can be added to your total years of creditable service for retirement pension calculation purposes (conditions apply).

"What I enjoy about working in the IHS system is being able to practice at the highest level of my license. The cases are challenging and I really like knowing my care helps a traditionally under-served population."
